New Lions President

Antioch Lions President Laddie Korecek hands over the presidency to John Wolf at the Lions Club annual dinner held Jan. 14 at the Harbor Ridge Country Club on the corner of Grass Lake Rd. and Rt. 59. Wolf promised continued success for the Antioch Lions who raised a record of \$20,000 for charity in 1985. "I want to try to keep all of the members involved in projects and accomplishing things. I think Laddie had a good start on that and I hope to continue it," said Wolf.

Antioch Woman Assaulted

by CHRIS SPECHT

A 65-year-old Antioch woman was assaulted and her hip was fractured by a

man who attempted to take her purse as she walked to the train depot in Fox Lake. The Fox Lake Police Department later arrested and charged with three counts of aggravated battery and one count of attempted robbery, Jeffrey Untiedt, 23, of Spring Grove.

Untiedt was first sighted by State Trooper Hillard Wozniel, who chased him on foot, Fox Lake Police Officer Rober Luerssen responded to Wozniel's calls for assistance and the two officers later took Untiedt into custody.

Untiedt was then taken to the Fox Lake Police Department where he was questioned by Detective Richard Good, who had been on the scene of the crime and Sgt. Jim Busch. During questioning Untiedt confessed to the crime as well as the Nov. 20 sexual assault of a 14 year-old girl. Untiedt was on parole from state prison for sexual offenses. Untiedt was also charged with two counts of criminal sexual abuse.

Untiedt was then taken before Judge Singer of the Lake County Circuit Court in Waukegan, who set Untiedt's bond at \$100,000. Untiedt was then remanded to the custody of the Lake County Sheriff's Department.

Quedenfeld Carries On Tradition

by CHRIS SPECHT

For many years "Jimmy" Quedenfeld served on the Antioch Fire Department as an Assistant Chief. One of his duties was to investigate the causes of Antioch fires. Unfortunately, Quedenfeld passed away last year, but his son Gary still carries on the family tradition of being a part of the Antioch Volunteer Fire Dept.

Gary's duties with the department include acting as Secretary, helping to give presentations during Fire Prevention Week, and, like his father, helping to investigate fires.

During Fire Prevention Week Gary and other Antioch fire fighters go around to the schools where they show films, give lectures on fire prevention, and promote the use and maintenance of smoke detectors in the home.

"We try to stress the fact that the batteries must be checked on a regular basis," said Gary. "Five lives can be saved just by spending \$3 on batteries."

The films shown to students during Fire Prevention Week usually include explicit footage of fire damage to homes, the kind of damage Gary sees up close when he helps the Antioch Fire Dept. investigate the cause of fires.

Gary, who is a state certified firefighter at the second level, is part of a three man team that investigates the causes of fires. The team also includes Captain Wayne Parthun and photographer Jeff Smouse.

Gary has learned how to investigate fires by taking courses at weekend seminars conducted by such organizations as Evidence Photographers International Council, the Lake County Fire Inspectors Association, the Illinois Chapter of the International Association of Arson Investigators, and the Illinois Fire Inspectors Association. Gary is a member of all of the organizations with the exception of E.P.I.C.

The process by which the cause of a fire is

determined is long and involved. Excruciating attention must be paid to every detail to insure that everything presented in court can be proven beyond a shadow of a doubt. Immediately after a house fire is extinguished, the three men split up and

Test Water Tank

The Antioch Village Board, authorized \$250 to be paid to Harco Co. of Schaumburg Ill. for checking the cathodic protection system for the inside of the village's water tank.

The inside of 500,000 gal. tank is protected by a net work of electric wires which must be checked on an annual basis to insure that the proper amount of voltage is running through the system. The village has an on going contract with Harco to perform these tests. According to Supt. of Water and Sewers, Tim Wells, there have been no problems with the system in the ten years since it has been installed.

Jaycees Will Present Improvement Programs

On Monday, Jan. 20 at 8 p.m. at the Antioch Library, the Antioch Jaycees will be providing area residents the opportunity to attend a free self improvement program developed by the U.S. Jaycees called Leadership Dynamics.

Leadership Dynamics will provide the techniques to increase management potential while developing leadership skills,

styles and methods. It will help persons understand the leader's role, human behavior and personnel management.

This program as well as other programs planned on alternate Wednesdays beginning Jan. 22 are open to the public but limited to 40 participants.

Steitz's Acquire's Titanic Model

Tobogganers at Steitz's Resort, in Antioch are gazing at the sinking remains of the Titanic frozen into the icy waters of Bluff Lake. An exact replica of the famous Titanic is located west of the toboggan slide and runway at Steitz's Resort. Mr. Tom Ludwig and Kenneth Bruckelmeyer of Carole Stream, created the 1.39 scale model and it was donated to the resort by Mr. and Mrs. Ralf Seiffe of Wilmette. The craft weighs over 500 pounds, took over two months to construct and is illuminated from within to display 1,200 portholes in the stern of the submerging vessel.

Quedenfeld Carries

(Continued from Page 1A)
begin working on their separate tasks.

"We work well as a team," said Gary, "we know what needs to be done and we get it done as quickly as possible."

Smouse begins by taking pictures of the location. He starts with the closest intersection and then gets a picture of the house which, if possible, shows the houses street numbers. Pictures are then taken of all four sides of the house so their can be no doubt as to the location of the home.

the interior of the home, including the floors and ceilings where damage has occurred. The investigators then try to reconstruct the scene of the fire to approximately the way it looked before the fire. Often this means bringing in furniture that was tossed out while the firemen extinguished the blaze.

After this is done the investigators then examine burn patterns. "If a trail of gas is left and then lit on fire, it leaves a certain pattern in the char," explained Gary. "I personally look for the deepest char and try to determine the burn patterns in this way. Others like to work from outside of the burned area to the inside, it is just a matter of personal preference."

All evidence taken at the scene of a fire is

put into special evidence cans and pictures are taken of this being done. "It is a long, drawn out process," explained Gary, "but we would be in big trouble in court without the photographs to back up what we say."

The next step involves interviewing the owner of the home for basic information. Through this interview the investigators try to narrow down the possible causes. The scene of the fire is then diagrammed and measurements are then taken to insure that those involved will have a clear picture of what happened in the event that the case goes to court.

Although Gary is quite knowledgeable about how to conduct a fire investigation, he has not thought about pursuing it as a career. "The only reason I am on the fire department is to help out the community," said Gary. "There is also an amazing amount of comradery on the department. For instance, if you needed to put in some concrete and didn't know anything about it, there would probably be someone on the department that did know and who would be more than willing to help you out."

So far now Gary Quedenfeld is content to stay with the Antioch Fire Department and carry on the family tradition started by his father.

GOP White House Hope Pounding In 4 Hearts

By JOHN STEINKE

Concerning the maneuvering within the Republican Party for the 1988 presidential nomination, President Ronald Reagan's record and health may determine everything. The four GOP aspirants include, Vice President George Bush, Rep. Jack Kemp of New York, Sen. Robert Dole of Kansas and former Sen. Howard Baker of Tennessee. Here is an assessment of their prospects to succeed Ronald Reagan:

1. VICE PRESIDENT GEORGE BUSH heads the list. He has coped well with the anonymity to which we consign our vice presidents. George spends most of his time watching the clock and reading reports on the President's health. Bush has been loyal to the President, and has earned Mr. Reagan's trust. He has cheerfully undertaken a series of mundane missions, especially representing the President at funerals of foreign leaders. "You die, I fly"

Steinke On Politics

is the irreverent motto of Bush's staff members. National polls give front-runner Bush 40 to 50 percent support among rank-and-file Republicans. Many GOP politicians have endorsed him for the 1988 nomination. There is one advantage to being Vice President: You are one heartbeat from the prize. One in three Presidents in the 20th Century have not completed their terms. We have had five "accidental Presidents" in this century, including Theodore Roosevelt, Calvin Coolidge, Harry S. Truman, Lyndon B. Johnson and Gerald R. Ford. Since President Reagan has had surgery for cancer and is the oldest President in American History, George Bush may become an "accidental President" before the 1988 election.

On the other hand, Bush has serious liabilities for the nomination unless he becomes an "accidental President." The last sitting vice president elected to the presidency was Martin Van Buren in 1836. The last two vice presidents nominated for the White House were defeated: Republican Richard M. Nixon in 1960 and Democrat Hubert H. Humphrey in 1968. Nixon lost because of his association with the Eisenhower Recession while Humphrey was defeated because of his identification with Johnson's Vietnam War. Vice President Bush's chances may depend upon the electorate's perception of President Reagan's record in office, especially on economic issues.

2. REP. JACK KEMP is a New York Congressman, who has proven himself invincible in a traditionally Democratic

district in Buffalo. He has some national name recognition because he was a former quarterback for the San Diego Chargers and the Buffalo Bills. On T.V., Kemp is a charming conservative with a John F. Kennedy haircut. Kemp has more passionate followers than Bush has. He does well among conservative and Republican activists. They include party workers, county committee members, and ideological enthusiasts. These groups are distinctly more conservative than self-identified Republicans in the overall electorate. Well before Reagan came to Washington, Kemp was pushing for tax cuts. In 1981, the Reagan tax cut originated from Kemp's side-supply economics.

But Kemp has some serious problems in his campaign to move to 1600 Pennsylvania Ave. His critics contend that he is a "dumb jock" with a brick for a brain. Kemp is not as well-known as Vice President Bush. After all, Kemp is competing with 434 other Representatives for national publicity. Dan Rather tends to report on Congressmen only when they are involved in a scandal. Do you remember former Ill. Congressman Dan Crane, who was censured for seducing a 17-year-old female page? Finally, no U.S. Representative has been directly elected to the White House since James Garfield in 1880.

3. SEN. ROBERT DOLE OF KANSAS is the Majority Leader, who is highly-regarded by the Washington establishment. Dole has been using the Senate floor as his forum. He has positioned himself as a fervent champion of deficit reduction, even to the point of crossing swords with the White House on several occasions. Despite Dole's acknowledged talents, Senate leadership positions have no history as successful operating bases for winning presidential nominations. Dole is bogged down with the Senate majority leadership, a demanding task in the Reagan Administration's second term. Finally, only two U.S. Senators have been directly elected to the presidency: Republican Warren G. Harding in 1920 and Democrat John F. Kennedy in 1960. Both Harding and JFK have been rated as ineffectual Senators.

4. EX-SEN. HOWARD BAKER OF TENNESSEE is a moderate - conservative Republican. From 1981 - 1985, he was the brilliant Republican Majority Leader of the U.S. Senate. At that time, Washington correspondents voted Baker the most effective U.S. Senator on Capitol Hill. Baker is out there plugging U.S.A. Today, the flagship of the Gannett Co., of which he is a director, since he retired from the Senate in 1984. He lacks the exposure that many think is necessary for a presidential run. Baker doesn't have much of a political organization, and he's not doing much campaigning. It may require a plane crash involving Bush, Kemp, and Dole to guarantee Howard Baker the 1988 GOP presidential nomination.

Starting Out...Starting Over... Or Starting A New Job...?

There are a lot of reasons why people decide to rent instead of buy. For one thing, a good credit record isn't that easy to establish these days. If you're just starting out, chances are you've never needed credit before now - and you probably don't have a lot of money saved up, either. If you're "starting over"...well, that's difficult enough in itself, without the added weight of credit hassles and long-term commitments. And if you just started a new job - even though you may be making more

money - you may still have trouble getting credit, because most credit agencies put a great deal of importance on how long you've been at your job. That's why, with or without a credit record, we've made it so easy for you to RENT the things you want from RENT-A-CENTER - and still have the option to own! So don't let the high cost of buying get you down: Step up to RENT-A-CENTER today - and have the things you want delivered to your home tonight!

Prizes For NICC Ice Derby Exceed \$55,000

The Northern Illinois Conservation Club will hold its annual ice fishing derby Saturday and Sunday, Feb. 8 and 9.

More than \$55,000 in prizes has been posted for the event, according to Norm Rockow, NICC president.

Participation is expected to exceed 7,000 anglers for the two-day event which has been expanded to three locations, Rockow reported. With favorable weather, attendance could exceed 10,000.

The Chain O'Lakes Ice Fishing Derby and Winter

Festival will have its headquarters at Channel Lake by Wasz's Resort. A new feature this year will be satellite or "mini" derbies which will be running simultaneously at the north end of Petite Lake and Pistakee Lake; and in McHenry County, in front of Pinky Harrison's Resort. All three contest centers will be linked by radio communication.

The satellites will serve as convenient fish registration for the hourly fishing contests.

The events are: fishing contest (by species and size), fishing contest (tagged fish program), air show (prizes dropped from airplane, ice auger contests, ice chisel contests, clowns, auction, sack races, egg throwing contests, and family and children games (scheduled hourly).

Prizes will be awarded each hour of the derby for each of nine species, plus a trophy and grand prize for the best of each species for the two-day period. Derby ticket serves as entrance fee for this event. The nine main prizes for this event have been donated by Berkley & Co. of Spirit Lake, Iowa, rod manufacturer and maker of the famed Trilene fishing line; the trophies were donated by Fred Losch Beverages.

Participants will be en-

during frigid temperatures in efforts to claim the top prize, a tagged fish worth \$25,000, sponsored by Budweiser.

Three tagged fish worth

\$10,000 each are being sponsored by Coca Cola, Stroh's and Old Style.

In addition, NICC will be honoring 1,800 previously tagged fish at \$25 each,

according to Rockow.

Competition will be limited to two official periods, 9 a.m. to 4 p.m., Saturday, and 9 a.m. to 3 p.m., Sunday.

Spring Semester Opens Jan. 21

Spring semester at the College of Lake County will open on Tuesday, Jan. 21. Registration for all classes offered by the college, both on campus and off, will be open through Monday, Jan. 20.

Individuals may register in person at three Lake County locations; CLC main campus at 19351 W. Washington St. in Grayslake; the Lakeshore campus at 111 N. Genesee St. in Waukegan; and the Southlake Educational Center at 1860 First St. in Highland Park.

Registration is in progress Monday through Thursday, 10 a.m. to 2 p.m., and 4 to 8

p.m. Those who prefer may register by telephone during the same hours.

For course and registration information, call the College of Lake County Office of Admission at (312) 223-8800.

The college offers the Associate of Science and the Associate of Arts degrees for students preparing to transfer to a four-year college or university, and the Associate of Applied Science degree for people seeking preparation for immediate career entry. Both credit and non-credit courses are available through the college at more than 20 locations in Lake County.

"A 10% CD from Skokie Federal
can mean more than 10% elsewhere..."*

Margi Englehardt, Branch Manager of the Downtown Skokie office, advises customers on how to get the most for their money.

"The best advice I give customers who are comparing rates on CD's is to beware that 10% does not always equal 10%. That may sound strange, but because of the various ways of compounding interest, it is often the case.

"For example, because we compound daily, 10% at Skokie Federal Savings means more than 10% at most other institutions who only compound monthly, quarterly, semi-annually or not at all. This means our customers earn the highest yield possible for a given rate on our CD's and savings accounts. And it's the yield, not the rate, that determines how much you will actually earn on an account at maturity.

"Other institutions try to lure savers into accounts with lower yields by offering cash bonuses, high simple interest rates and other gimmicks. At Skokie Federal, it's our policy to let our customers know the bottom line upfront ...the yield on all our accounts. That makes me proud to be a part of the Skokie Federal team."

*10% is used as an example only. Call 674-3610 for current rates on all our CD's.

Dancing At State Level

Three Lake County girls, winners of the Lake County Fair Jr. Talent Contest, will be competing on Jan. 18, at the Illinois State Fair Talent Contest in Springfield. All students at Kim Kallas' Dance Studio in Lake Villa, they are, left, Katie Metcalf, Beth Blockinger and Kristen Hall.

County Dancers Compete In State Talent Test

Three Lake County girls will be competing this Saturday, Jan. 18, at the Illinois State Talent Contest in Springfield. Katie Metcalf, 10, from Grandwood Park; Beth Blockinger, 10, from Wildwood and Kristen Hall, 8, from Round Lake placed first in the Junior Talent Contest at the Lake County Fair in July.

Should the trio win this Saturday, the girls will be

competing nationally in Tennessee. The routine they will be performing is a tumbling and dance number titled "Jump Shout Boogie."

All three girls are students at Kim Kalla's Studio of Dance in Lake Villa and are members of Kim Kalla's "Dance Magic" Dance Team.

They also compete in gymnastics for the Gymnastics Spot in Mundelein.

Katie and Beth are fifth graders at Woodland School in Gages Lake. Kristen is in third grade at St. Joseph's School in Round Lake.

Schedule Classes

Greasepaint & Spotlights is currently taking registration for its second semester of classes in acting, singing and dancing. Classes are held Mondays through Thursdays from 4 to 8 p.m.

The most popular classes this year have been the Green Room Gang series. These classes combine all three of the performing arts

and is a fun-packed hour-and-a-half class.

Next in demand is "Let's Begin" and "Kids on Broadway" classes, which are devoted to acting and musical theater respectively.

To register or for a free brochure, call (312) 680-6686. Classes begin Monday, Jan. 27.

'Dynamics' Winter Show Goes On Jan. 18-19

An instrumental combo will be an added feature to the 17th annual winter musicale being presented by Gerry Traxler's Choral Dynamics, on Jan. 18 and 19.

The combo and chorus will open the show with song and dance to an appropriately titled number "We're Doin' A Show".

The 85-voice mixed choral group will perform at 8 p.m. each evening at the Libertyville High School auditorium, Park Ave., Libertyville.

The show "We're Singin' Your Songs" features a variety of music. Besides choral presentations, there will be solos, duets, small group numbers and a barbershop quartette. Connie Carlin has choreographed several numbers.

Presented will be such favorites as "Someone to Watch Over Me," "Put on a Happy Face," "I Believe," "One Kiss," "Body and Soul," "Bill Bailey," "Young at Heart," and "Ain't She Sweet." A specialty number will be presented by the young people in the group.

The group often sings out in eight-part harmony and is composed of high school students through the grandparent set.

Associate Directors Doris Kofman and Barbara Judt will take a turn at directing. Kofman will direct "Go Down Moses" while Judt will direct "Manhattan."

Featured on bass and drums, as in several previous shows, will be Bob Zaun and his daughter Stacie.

Tunes are by George Gershwin, Richard Rodgers, Style, Billy Joel, Stevie

Wonder and many other renowned composers.

Tickets may be purchased at the door or from choral members. The show is presented in cooperation with the Gurnee Breakfast Exchange Club. A not-for-profit organization. The choral group sponsors the shows in cooperation with local community organizations.

Some Icy Fun Set For Lake Geneva's Abbey

The Abbey on Lake Geneva, in Fontana, Wis. is hosting an exciting Winter Carnival, Saturday and

Sunday, Jan. 18 and 19. This special event is guaranteed to break through those winter doldrums, and promises to be a delightful experience for all ages.

Saturday, Jan. 18, from 10 a.m. to 4 p.m., Miss Lake Geneva, June DiSimone and "Easter" The Celebrity Cow will be on hand to greet all the Abbey visitors.

Featured throughout the day will be hayrides with a sing-a-long with Holly and Tom Stanfield, and a snow sculpture competition among area high schools.

A \$250 scholarship will be awarded from the Abbey. An ice carving competition will be on display from the Chefs of Lake Lawn, Charlie O's, Abbey Springs, The Abbey in Lake Geneva, The Hilton, Interlaken Resort and Country Spa and the Knickerbocker and the Barclay Chicago Hotels.

In addition, guests may enter the ice fishing derby contest and enjoy ice skating on the beautiful Abbey Harbor or relax throughout the day in the outdoor hot tub.

Also on Saturday from 2 to 4 p.m., the entire family may enter the cross country ski races.

The day also offers such activities as bowling, swim races, Trivial Pursuit and

shuffle board on ice.

Top off the day's activities from 4 to 6 p.m. with an old-fashioned bonfire on the Harbor Beach, with a sing-a-long, roasting hot dogs and marshmallows.

On Sunday, Jan. 19, from 9 a.m. to 2:30 p.m., a lavish champagne brunch will be served which includes an informal fashion show, starting at 10:30 a.m. The fashion show will present styles selected from the Abbey's waterfront shops.

Sunday Winter Carnival events include a "Fun Run" at 10 a.m. The "Fun Run" offers a one-and two-mile course along with a mini-run for the little ones.

An arts and crafts show in the Waterfront Mall featuring local artists and craftsmen will be open from 10 a.m. to 1 p.m.

An antique estate auction will take place in the Martini Ballroom. Viewing of auction items with a cash bar will take place from 10 a.m. to 1 p.m.

The auction will run from 1 to 4 p.m. and is sponsored by the Lake Geneva Auction Co.

The Lower Deck Lounge will be open from 8:30 p.m. to 12:30 a.m., Friday and Saturday evenings featuring a DJ playing favorite songs for your listening and dancing pleasure.

Puppets To Do Fairytale

A production of "Hansel and Gretel" by Chicago's Puppet Place is the January offering of the David Adler Cultural Center's children's concert series. The play will be staged at the American Legion Hall, 715 N. Milwaukee Ave., Libertyville, on Sunday, Jan. 19, at 2 p.m.

"Hansel and Gretel" is based on the folk tale that was collected by the Brothers Grimm, and upon the opera version of that story that was composed by Engelbert Humperdinck. It recounts the adventures of a brother and sister who encounter a witch in the deep woods.

Admission is \$3 for adults, \$2.50 for members and \$2 for children.

The David Adler Cultural Center, 1700 N. Milwaukee Ave., Libertyville, is a non-profit organization. For information call (312) 367-0707.

Stage Two Reveals 1986 Theater Season

Stage Two Repertory Company announces that its 1986 subscription season will open with the satiric black comedy, "BABY WITH THE BATHWATER" by Christopher Durang.

According to Bryan Simon, managing director

for the organization, "The first show will be directed by John Reinhardt and performed at the College of Lake County in Grayslake on Jan. 24, 25, Feb. 1, at 8 p.m. and on Feb. 2, at 3 p.m. All performances for Stage Two will be in the theatre located

Building 5 on the Campus.

Stage Two's second show is presently scheduled for May 16, 17, 23, 24, and will be the contemporary comedy "GREATER TUNA." This play revolves around the world's smallest radio station located in Tuna, Texas. Two actors play 20 roles in this fast paced

comedy.

Stage Two's third show of the 1986 season is the British spy thriller, "PACK OF LIES," a masterfully written show which will be performed on Aug. 22, 23, 29 and 30.

"Stage Two will be different from other Nor-

thshore and Lake County theatre groups," according to Simon. "We're appealing to a special group of theatre-goers and providing a professional theatre caliber that many believe exists only in Chicago and New York

Stage Two has also made a

strong commitment to new works and playwrights, which we hope will stimulate thought, arouse the imagination and challenge us as actors."

Subscription and single tickets are available by contacting Stage Two at (312) 662-4071.

Lakehurst To Fete Brides

Lakehurst Mall will host its fourth annual bridal show on Feb. 14, 15 and 16. This event will offer prospective brides and grooms the opportunity to plan almost every aspect of their wedding all in one trip.

"Many Lakehurst stores and area businesses have shown great interest in showcasing their wedding related merchandise and services," said Frank Hartge, manager of Lakehurst Mall. Hartge said exhibits will include bridal/trousseau attire, jewelry, cakes, en-

tertainment, limousine services, plus much more.

In addition, three bridal/trousseau fashion shows plus cooking and beauty demonstrations are also being planned. The fashion shows, featuring bridal gowns from J. C. Penney and tuxedos from Henry's Formalwear, are scheduled for 7 p.m. Friday and 1 p.m. Saturday and Sunday.

Inquiries regarding the Feb. 14-16, bridal show at Lakehurst Mall can be directed to Brian Rasmussen at (312) 473-0235.

Music Institute Accepts Sign-Ups

The Music Institute of Lake Forest is now accepting registrations for the spring semester which begins Feb. 3.

The institute offers instruction in all orchestral instruments, piano, voice, organ and classical guitar. The 16-week semester includes weekly private or semiprivate lessons of up to one hour. The Institute accepts students of all ages and levels from beginning to concert. College credit may be obtained through Barat College.

Children as young as three may enroll in the Early Childhood Division which offers the Orff and Suzuki

methods.

The Suzuki method, which has produced extraordinary results throughout the world, is based on the principle that children learn music in much the same way they learn to speak their native language—through imitation, repetition and encouragement of expression, all reinforced by parental participation. Youngsters develop musical ability through watching and imitating the teacher. At later stages sight reading and other skills are added. The Suzuki method is offered in both piano and violin.

The Orff method is a hands-on approach to

developing musical skills. The young student is an active participant in music making, and important skills are absorbed through an entertaining, stimulating array of singing games, instrumental play, dance

and musical improvisation

The Music Institute is located in Dougherty Hall on the campus of Barat College in Lake Forest. For registration materials and further information, call the institute at (312) 295-2135.

Adler Plans Mardi Gras

The David Adler Cultural Center will host its annual gala Mardi Gras Masquerade Benefit Dance at the Lake Forest Club, 554 Westmoreland Ave., Lake Forest, on Feb. 1, at 8 p.m.

Guest will enjoy dancing to the swing and big band sound of "Brass and Keys". Leopold the Magician and other entertainment will help set the mood for Mardi Gras. A late night supper with authentic Cajun cuisine and a cash bar will complete the evening.

The proceeds from this event will benefit The David Adler Cultural Center 1700 No. Milwaukee Ave., Libertyville. The center is a nonprofit corporation offering art, music and other cultural programming to the residents of Lake County and surrounding communities.

Tickets must be purchased in advance, \$20 per person, tables of 10 are available for \$200 call the center for reservation, (312) 367-0707.

Learn To Square Dance

Beginning Monday, Jan. 20, the Paddock Lake Squares will sponsor square dance lessons for interested parties 18 years of age or older. Lessons will be held at Central High School, located on Hwy. 50 in Paddock Lake and will run from 7 until 9:30 p.m., every Monday through March. The first lesson is free. Harry Lind of Racine will be the instructor. For more information, call (414) 843-2967.

Certain Taxpayers Must Report Refund

Many Illinois taxpayers can expect a notice in the next few weeks from the Illinois Dept. of Revenue reminding them of the amount of the income tax refund they received from the state last spring.

Illinois taxpayers who itemized on their 1984 federal income tax returns must report this refund as income on their 1985 federal income tax returns.

More than 1.2 million taxpayers will be mailed notices-called 1099G forms-which are required by the

federal government under the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA).

The act requires that taxpayers who itemize deductions be notified of their state refunds (and other types of overpayments) so the amount will be correctly reported on this year's returns. Taxpayers who received a refund through an amended return also will be notified.

The 1099G form indicates on Line 5 the amount that should be reported to the

IRS. Line 5 tells how much more the taxpayer paid in taxes last year than was actually owed when the 1040 was filed.

This is usually the amount refunded to the taxpayer. However, some taxpayers ask that part of this amount instead go to a charitable fund through the income tax checkoff program, or be credited toward next year's taxes. And in some instances, part of this "overpayment" goes to pay taxes owed for previous years.

CUB Wins New Plan For IBT Customers

The Citizens Utility Board (CUB), along with other consumer representatives, has succeeded in developing a new rate plan that will mean fairer, simpler and, for many people, cheaper phone rates for Illinois Bell customers in Northern Illinois.

The new plan, which is an alternative to a proposal Bell filed with the Illinois Commerce Commission (ICC) in August, was won after weeks of negotiations with Bell officials.

"This new plan satisfies

CUB's goal of keeping phone rates affordable, simple and fair," CUB Executive Director Susan Stewart said during a news conference. "We are glad Bell agreed to sit down at the bargaining table."

CUB, along with other public interest intervenors, challenged Bell's original rate proposal which would have resulted in huge rate increases for most customers and was complicated and unfair.

Other intervenors involved in developing the new plan are the Illinois Attorney General's Offices, the City of Chicago, the Labor Coalition on Public Utilities and the Legal Assistance Foundation.

Bell originally proposed dramatic increases in the most frequently made calls, calls within eight to 10 miles of the customer's home, and significant decreases in calls of more than 15 miles. Bell statistics show that 70 to 80

percent of all calls placed are within eight miles of the customer's home.

Under the new plan, which affects only Illinois Bell services in Northern Illinois MSA I, customers outside of Chicago will see an average \$1 decrease on their monthly bills. In Chicago, changes in customers' bills will depend on where they live and on their calling habits.

A typical customer living in outlying Chicago neighborhoods who calls frequently to neighboring suburbs will see an average monthly decrease of about 50 cents. A typical customer who lives in central Chicago neighborhoods can expect to see less of a decrease or no change in their monthly bills.

Under the new plan, some Chicago residents will see increases in their monthly bills, but those increases will be substantially less than originally proposed by Bell.

Youth Bowlers Moving Up In Tourney Action

by ARDEEN HARRIS
(312) 395-2761

The Schmehl Family, Jim, Liz, Jimmy and Barb had an exciting vacation up in Eagle River, Wis. The snowmobile trails up there are terrific and worth the ride up. If any of you are interested in trailing your machines up North, Liz has passed on a place to stay with an indoor pool, attached supper club and trails right out your door.

The Hiawatha Motor Inn located on Rte. 45 in Eagle River and the phone number is (715) 479-6431. Liz also has some more exciting news! Anyone interested in puppies? The mother is a Swedish Keeshound and the father is a roving wanderer. The puppies are cute and give Liz a call at (312) 395-5380 if you are interested.

With the holidays over, it's back to old routines. Some of us may forget unless it is written on our calendar's or we are given a call, but Ladies Volleyball has started again on Tuesday nights from 7-9 p.m. Last week only six ladies showed up, I guess everyone forgot but them.

The Dental Assn. will be having its next meeting on Jan. 22 at the Columbia Bay Restaurant on Rte. 59. The meeting will start at 6:30 p.m. and the guest speakers will begin at 7:30. Dr. John Thodos and Chris Choukas will be the speakers for the

evening. Give Jeanne Holback a call for more information.

Congratulations are in order for a youth bowling team made up of Jenny Harris, Kathy Harris, Bill Johnson, Susie Johnson and Aaron S. AHS Grad Honored At College

Jeff Schlarbaum, son of Mr. and Mrs. Richard Schlarbaum, 315 Maplewood, Antioch, has made the honors list at Suomi College in Hancock, Mich.

He was one of only 76 students out of a total enrollment of nearly 700 to earn the honor.

He is a graduate of Antioch High School and is a sophomore in the business administration program at Suomi.

Suomi is a private, two-year college founded in 1896 and located in the extreme northern section of Michigan's Upper Peninsula.

Degree Earned At Bemidji

Renee Petykowski of Antioch, graduated from Bemidji State University with a Bachelor of Science Degree in Technical Illustration/Graphic Design at the conclusion of the fall quarter.

Petykowski was one of 120 students completing undergraduate degree requirements at BSU during the session.

With a total student enrollment of 4,200, Bemidji State University offers 51 majors and 45 minors in a variety of subjects on the undergraduate level.

Indictments Made In Check Forging Scam

Based in part on testimony given by officers of the Fox Lake and Antioch police departments, the Lake County grand jury returned indictments of 20 counts each, to two women involved in a forgery scam in which \$20,000 in bad checks were passed in four area counties within one week in November.

According to testimony given by Sgt. Jim Busch of the Fox Lake Police Department, and Lt. Thomas Fisher of the Antioch Police Department, Alicia Larson, 22, of Schaumburg, and Cynthia Lloyd, 25, of Antioch, went on a shopping spree Nov. 15-21 by cashing \$20,000 in forged checks in Lake, McHenry, Cook, and Dupage counties.

The check cashing scam began last May when Colleen Follmann, of Oak Brook, reported that her purse had been stolen from her car which was in the parking lot of the Oak

Haley Not Incumbent

Mike Haley, candidate for Republican precinct committeeman in Antioch Pct. 3, is a first time candidate and not an incumbent as was incorrectly reported.

Haley aims to succeed his brother, Ed, as a com-

mitteeman in the north Channel Lake precinct. Ed Haley moved to Oakwood Knolls.

Also contending for the Pct. 3 post is Joseph Jaworski.

Magic Act

At the first meeting of the new year, Jan. 20, 1986, the Antioch Woman's Club will present Tom Hubbard - a magician who combines humor and mystery in his act.

He also uses his magic in his job as a therapist at the "Family Service and Community Mental Health Center" in McHenry County.

Class To Begin

Antioch Parks & Recreation is announcing its Winter Aerobic Class beginning Feb. 3 at the Old Fire Station. Instructor Theresa Weber will be teaching Monday, Tuesday and Thursdays evenings at 7 o'clock. For sign-up call Glenda at (312) 395-2160. The fee is \$24.

Brook Shopping Center in Oak Brook. In the purse were Follmann's charge cards, and identification, including her drivers license. Police are charging Larson and Lloyd with using Follmann's drivers license to cash approximately 200 bad checks. Larson is being charged with renewing the license last October when it expired.

Police said the two women, who had rented a Post Office box in Fox Lake, had between \$10,000 and \$12,000 in goods in their possession at the time of their arrest. Items included video recorders, furniture, and clothes, all purchased with bad checks.

A bond of \$250,000 was set for Lloyd, with a \$50,000 bond being set for Larson. The two women are being charged with forgery, a class III felony subject to 2-10 years in prison. The women are scheduled to be arraigned in the Lake County Circuit Court in Waukegan on Jan. 16.

School Chief Candidate Accepts Political Role

A Republican candidate for nomination as regional schools superintendent in the March primary says she is "becoming political by necessity."

"I'm not a politician by nature, but now that I have opposition I've got to get involved," is the way Sybil Yastrow put it.

Yastrow, the endorsed GOP candidate who has worked for the past 10 years as first assistant superintendent in the Lake County Regional Supt. of Schools office, admitted that she was surprised when opposition in the March primary developed.

Larry TenPas, a driver education instructor in the Waukegan public school system and a former Waukegan alderman, is the other Republican aspirant.

"My commitment in deciding to seek the office was to children, not politics. I originally decided to run for the office because I want to see the high quality of service provided Lake County schools by our office continue."

"Now," she continued, "time will have to be spent making sure I win the nomination."

Yastrow, a resident of Deerfield, was recommended for the office by County Schools Supt. William Thompson of Antioch, who is retiring.

In recognizing political realities, Yastrow observed, "I'm known in educational circles, but I'm not known by the voters. I'll be working to

Sybil Yastrow

get acquainted with them."

Before joining Thompson's staff, Yastrow, 50, was director of development, community and alumni relations at Lake Forest Academy and Ferry Hall Schools, Lake Forest.

She began her career as a first grade teacher in Lincolnwood in 1956.

Her husband, Shelby, formerly practiced law in Waukegan. He now is

general counsel for MacDonald's Corp.

The Yastrows have been residents of Lake County for 25 years, except for a brief period when they were residents of Northbrook while their new home was being built.

As Thompson's assistant, Yastrow specialized in upgrading curriculum, staff development and county-wide educational efforts.

Mason Talks Law Suit

Don Mason is answering Lake County Republican Chairman Bob Neal and States' Atty. Fred Foreman by saying that he is instituting a lawsuit against Neal, claiming slander and a federal action against Foreman "If he decides to prosecute."

Mason, who says he is still running as a third party candidate, claims no forgery was committed on the petitions he filed for the office of Lake County Sheriff. He said one woman signed five names believing she could do so if they were registered voters. He added that 59 other signatures questioned were from people who either moved or changed their names (gotten married) and also didn't know they didn't qualify.

As far as the call for a grand jury probe, Mason claims he would love to get in front of a grand jury with information he has.

"Please don't throw me in the briar patch, Mr. Foreman," taunts Mason.

Mason accuses Foreman of "selective law enforcement," claiming that he goes easy on political allies and comes down heavy on political enemies.

"This is how a political machine works," claims Mason, "they come together to maintain their power when they are threatened."

"This whole thing is the lowest form of machine politics," he adds.

Mason says that he is getting more and more

support from people who are getting mad at this type of operation.

Hess Berates Foreman, Neal: Double Standard

by GLORIA DAVIS

Lake County Clerk Linda Hess, has already been involved in the Don Mason petition controversy, having sat as chairman of the board hearing the petition objection Atty. Al Wysocki filed against Mason.

At a press conference held at the county building on Jan. 9, she called for "tit for tat" actions from Lake County State's Atty. Fred Foreman and Lake County Republican Chairman Bob Neal.

In essence, having heard much evidence on Mason's alleged election fraud attempt, she commended both men: Neal for his public response and demand for a grand jury investigation and Foreman for beginning the investigation almost immediately and his use of Illinois Dept. of Correction investigators to avoid a political tie-in.

"But election laws must be applied consistently and equally in all such cases," she added, publicly chastising both men for their different approach to the Waukegan vote fraud case that has been on the docket since April of 1985.

The Democrat brought major charges in behalf of Waukegan Mayor Robert Sabonjian alleging that registrars had improperly registered voters in the spring mayoral election.

Being a Democrat, Hess

Linda Hess

prefaced this commendation with "I seldom agree with the chairman of the Republican Party (Neal.)"

She went on to berate Neal for keeping silent on the charges made by Jay Ukena (Democratic county head) at another press conference, adding that, though Foreman's office was investigating the alleged vote fraud, he never employed the facilities of another state agency and he seemed to be dragging his heels in the last few months, having promised results by last August.

In fact she said that she felt that Foreman had aided the case against Mason by making a positive statement on the creditability of the

charges against Mason, but that he had not done so concerning the creditability of the charges in the vote fraud situation.

Foreman actually hurt the case by publicly calling the charges "irresponsible allegations," Hess said.

"You can't have it two ways, we must seek justice in both cases," adding that otherwise "a double standard" is being employed.

She finished her comments on the matter by wondering whether both men's "Republican friends" have something to with the the lack of positive results in the Waukegan matter.

Legalize 'Las Vegas'

Illinois lawmakers have an opportunity in the newly convened session to make honest persons out of countless citizens who have been breaking the law by patronizing play money gambling events designed to raise money for charity. They can do this by legalizing "Las Vegas Night" gaming parties.

Technically illegal, "Las Vegas Night" events have been utilized for years by civic organizations and churches for charitable purposes. Gov. Thompson has a plan to legalize the games of chance. Everyone should hop on the bandwagon to bring the public and above-board events in compliance with the law or, more accurately, the law should be brought in compliance with "Las Vegas Night" fun.

It seems rather ridiculous in a state where bingo has been legalized, where the com-

monwealth sponsors a lottery and where horseracing is such a big revenue producer that simulated casino betting with play money is illegal. "Las Vegas Night" events should be legalized as soon as possible.

The January session will also give the legislature a chance to review spending reductions the governor made in legislation approved in November. The governor cut \$21.5 million from the \$283 million supplemental appropriation measure. Among the items cut by the governor was an increase in Public Aid grants and a special loan program to minority and female business enterprises in Chicago and select southern Illinois counties.

That same spending plan provides \$6.5 million to combat infant mortality, \$1.25 million to expand the state's I-SEARCH program to recover missing children and \$57.1 million for farm aid.

Only One Party: GOP

In our news columns, the disparity between the two major parties in Lake County was brought into sharp focus. On the basis of grassroots organization, there really aren't two parties in Lake County. There is only one: Republican.

In the 389 precincts in the county, the GOP will have 334 persons running for precinct posts while the Democrats have only 83. Considering the fact that there are a number of contests in Republican ranks, a significant number of GOP precincts will have to be manned through write-in or appointment activity.

A major portion of the Democratic precincts will be without committeemen for the general election in November.

As a practical matter, though, Lake County Democrats don't pay much attention to grassroots. They tend to organize around candidates, just the opposite of Cook County. It's interesting to ponder what would happen to the local political system if the Democrats ever attempted to get down to a nuts and bolts basis in organizing the precincts.

The big question is how local Democrats survive, and even thrive sometimes, without a precinct organization?

Haz-Mat Team Ready

Fortunately for our community and our neighbors, firefighters are relentless in their search for ways to make life safer.

One of the recent advances in fire protection and safety is the smooth operation of the Haz-Mat Team, an organization with representation from Lake County's 28 fire departments that is specially trained and equipped to deal with hazardous materials that spill, explode or catch fire, or release noxious fumes.

The Haz-Mat Team has at its disposal a van carrying special equipment that is housed at member departments on a rotating basis that can be dispatched wherever needed in Lake County at a moment's notice.

Dangers associated with hazardous material is a fairly new phenomenon for

firefighters, but when problems occur, it's comforting to know that our local firemen will be ready—ready along with their mates in neighboring departments.

Contact Woody, He Has Smarts To Finance Fair

by BILL SCHROEDER

Item: Boosters of the ill-fated 1992 Chicago World's Fair are searching for a suburban site where the fair could be financed through private means.

Comment: Sounds like an ideal job for Woody Kelly—if Woody can be found.

About 20 sites are under consideration, according to fair corp. secretary George Burke, most of them to the south and west of Chicago.

Locating the long-time dream exposition sounds like a fairly easy task if the money can be found to finance the expensive project. That's where Woody would come in if he were around today. The one-time Antioch financial whiz could wring blood from a turnip.

Promoters insist that a suburban fair would cost from \$250 million to \$500 million depending on the site. Funding would have to come mostly from private corporations.

Piece of cake for the paunchy con man whose specialty was talking little people into entrusting their life's savings to him to reap big returns.

A great many folks, including Woody's legion of friends, maintain that he's hiding out some place. Would he return if he knew all would be forgiven, especially if he could do something lasting for humanity like help stage a world's fair?

Since he would have until 1992, it's a fair guess that Woody would have enough time to pull off the fair deal, maybe even pulling together enough scratch to pay back the poor boobs who gave him their money.

The idea of turning the fair project over to Woody isn't far-fetched at all. At least he'd be out in the open where everybody could keep an eye on him.

More than anything else, except maybe for a few yachts and some fast foreign sports cars, Woody wanted only to be loved and respected. He could get both—and then some—by serving as finance chairman of the 1992 Chicago World's Fair, which come to think of it, has been a con job all the way so far. Woody, come home, wherever you are!

That's why a good bit of the evening at the annual Grant Township Republican Club Lincoln Day dinner Feb. 8 will be devoted to dancing instead of speeches. "We figure that people will enjoy some dancing so they can have a good time," exclaimed Gordon Kiesgen, dinner chairman and town clerk, without trying to be funny.

Normally, everyone who is anyone in the GOP turns out for the Lincoln Day fete that has been going on for more than 30 years. The event became a fixture when a home town boy, William "Bill" Stratton, was governor of Illinois. This year tickets will be \$15 each for a prime rib dinner, dancing, and, oh yes, a few words of political wisdom from Illinois Sec. of State Jim Edgar.

RETIRING?—Mayor Emery Allison of the Village of Old Mill Creek is thinking about retiring—again. He tried to quit the job in 1967, but was talked out of leaving. Allison has been in office ever since, making him either the dean of Lake County mayors or close to it.

Allison says his current term ends in 1987 and that might be time to quit. "Someone might change my mind, though," he added mischievously. Old Mill Creek was incorporated in 1958 and Allison served a two-year hitch as trustee before taking over as mayor.

Old Mill Creek lies north of Lindenhurst and Gurnee and is mostly open country. There used to be a saying that "there are more horses than people in the village." Observers figured the ratio at about three to one. Things haven't changed much.

Mr. and Mrs. Gregory Troemel

Maddux/Troemel

Julie Maddux, of Normal, Ill., daughter of Mr. and Mrs. William Maddux, Jr., Long Point, Ill. and Gregory Troemel, Bloomington, son of Mr. and Mrs. James Troemel, Grayslake, were joined in marriage during a candlelight ceremony at 4 p.m., Nov. 30 at St. Paul's Lutheran Church in Streator, Ill. Officiating at the ceremony

was Pastor Garry Briesacher. Scripture readings were by Jan Troemel.

Maid of honor was Mrs. Judy Mehalic of Long Point, Ill., twin sister of the bride. Bridesmaids were Jan Gaff and Jacque Maddux, sisters of the bride, Jane Larson, Judy Szaabo and Janine Bee.

Best man was Ken Troemel of Grayslake, brother of the groom. Groomsmen were Jim Troemel and Brian Troemel, brothers of the groom, Robert Mehalic, Loren White and Guy Winters.

Ushers were Bill Gaff and Mel McMeen.

At the guest book and programs at the church were Cathy Troemel and Linda Troemel.

The bride designed the gowns of her attendants. They wore black velvet Victorian gowns, accented with white applique lace on the bodice and a cameo at the neckline. They also carried burgundy roses and baby's breath with tieg leaves.

The couple is residing in Normal, Ill.

The bride attended Illinois State University in Normal. She is employed by Congerville, Eureka, Goodfield School District as a physical education teacher.

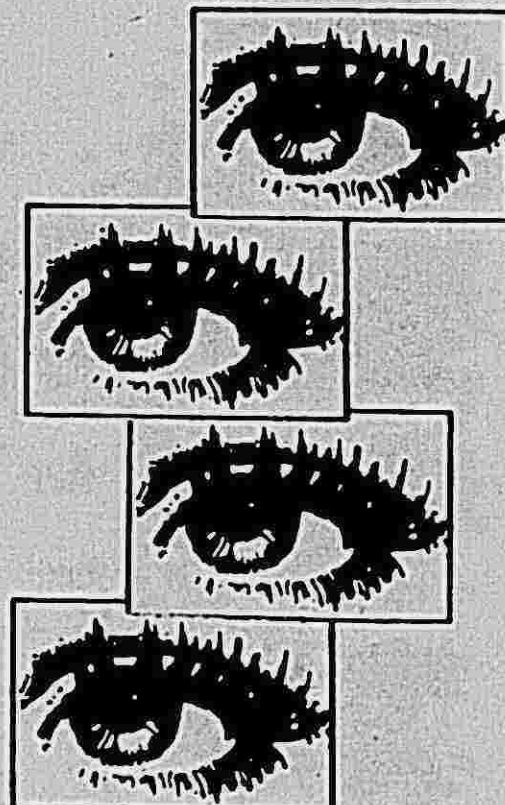

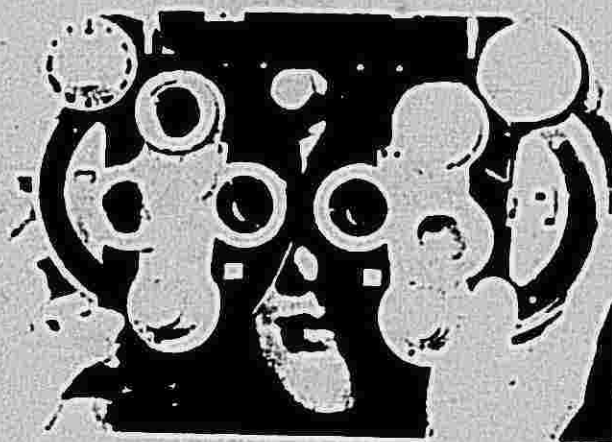

The groom also attended Illinois State University in Normal. He is employed by the Town of Normal as a building inspector.

Rams Hope To Snap 5-Game Losing Streak

by DAN G. O'SHEA

The Grayslake varsity basketball team will try to come alive Friday night, Jan. 17, against visiting Johnsbury and put an end to its five-game losing streak.

Grayslake lost twice last week. On Jan. 7, after the Rams lost their fourth straight, 68-48 at Grant, Grayslake Coach Greg Groth commented that big changes may not be the answer. "We're just going to have to work a lot harder. We may not be as good as we thought we were."

Bill Sangbusch, (6-3) senior forward, led the

Rams with 10 points. Daryl Mackenthun netted nine points and Jeff West followed with seven. "For losing by 20 points, I think West played a good game," said Groth.

Grayslake led Grant midway in the second quarter, 20-18, before the Bulldogs scored nine straight points to take the lead for good.

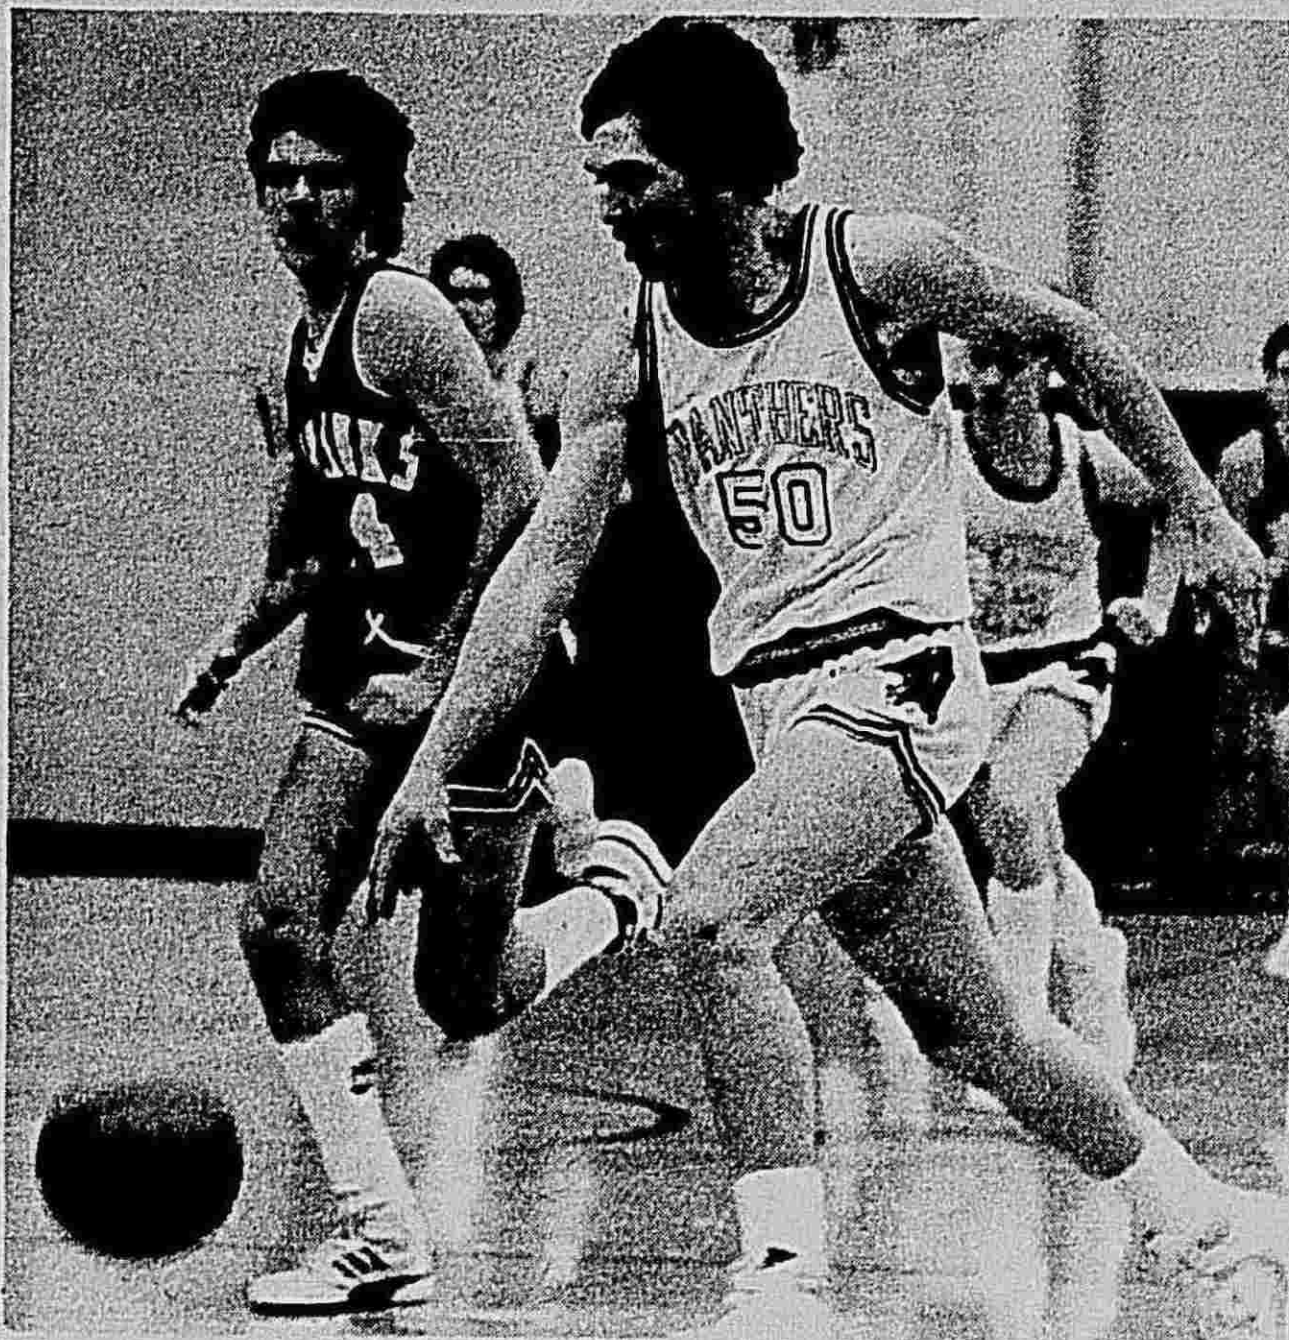

The Rams dropped their fifth in a row to Marengo on Jan. 10, 70-57. "We definitely played better than the last game (Grant)," said Groth. Tom Castino led Grayslake in scoring with 16 points, while West followed with 14

and Sangbusch had 10.

"West has had two great games in a row. West and Sangbusch really play well together," said Groth. He also commented that junior guard Mike Langer played well on the defense.

Grayslake has a 2-3 record in the Northwest Suburban Conference, where it is the defending champion. The Rams are 6-8 for the season.

Castino leads the team in scoring with 185 points in 13 games for a 14.2 average per game. West follows with 89 points, an average of 6.4 per game.

Fast Break

Sequoits Number 2, Prepare For Warren

The Antioch Varsity Football team is getting ready to face their toughest contest to date when they take on the Warren Blue Devils on Friday, Jan. 17.

The Blue Devils are leading the North Suburban Conference and Antioch and Lake Forest are tied for second after last weekend's play.

"We can beat Warren if we shoot well from both inside and outside," said Sequoit Coach Don Zeman. Zeman is planning for Don Gunther and Dave Grindley do well with their inside shots and Mike Mc Grain and Matt

Weber doing a repeat of the Fenton and Zion-Benton games with their successful outside shooting, if Antioch is to beat the conference's top team.

After leading the Fenton Bison's most of the game, on Jan. 17, Fenton tied the score with nine seconds left, but the Sequoits copped the win by six points in overtime play, 47-41.

Fenton missed the second of two free throws and the Sequoits outscored the Bisons, 10-4, in overtime with Mc Grain's 4-4 free throws sealing the win.

Gunther led the scoring for the Sequoits with 19 and 12

rebounds, followed by Grindley's 15.

Mc Grain and Grindley, scoring 16 points each, led the way for the Sequoits in their 59-55 win over Zion-Benton's Zeebees on Jan. 18.

Antioch took the lead in this one early but the Zeebees caught up with two minutes left to take a three point lead.

Grindley had 11 rebounds, Weber grabbed nine.

After the Zeebees tied the score, McGrain made a jump shot good, the Zeebees missed, and Mc Grain came back with two good field goals to put the Sequoits ahead.

Sidetracking St. Joe Aim of 4-3 Corsairs

After last season's Sweet 16 team, Carmel High's off and on basketball team this year has fans turning to other thoughts.

But the Corsairs, now 8-8 on the season and 4-3 in the East Suburban Catholic Conference, still can make a name for themselves.

One goal is to redeem the season when tournament time rolls around. Another goal is to continue to play their constant hardwood nemesis, the St. Joseph's Chargers, on even terms.

Another goal will be to derail the present Illinois state high school basketball Class AA champions, Mt. Carmel, in a non-conference game Saturday night. The game will be played in Chicago.

The second challenge will be presented at 7:30 p.m., Friday, Jan. 17, when Carmel invades Westchester to take on the Chargers, 15-1 on the season and undefeated in first place in the ESCC as the second half of the season begins.

Friday night Carmel will be at full strength. Coach Frank Belmont and the Corsairs faced St. Joe earlier with their speedy senior guard from Waukegan, Rodney Lambright, on the bench nursing an ankle injury.

With Lambright in the lineup, a lot of Carmel supporters feel the outcome against St. Joe would have been different.

Last year Carmel and St. Joe split and shared the conference title. The Corsairs lost to Mt. Carmel in 1985.

On the road last weekend, Carmel wore two different faces. At Marist the Corsairs appeared listless and disorganized, suffering a 63-45 thumping, after three straight conference wins. The next night at Joliet Catholic, Carmel took command in the second quarter and went on to victory handily 61-44.

The Joliet game opened slowly with Carmel's George France and John Irwin of the Hilltoppers trading jumpers to open the scoring. Rod Whittier, who led all scorers with 22, pulled Carmel even at 8-8, but Joliet managed a 10-8 lead to end the first quarter.

Carmel took the lead 15-14 for good on Whittier's jump shot from the freethrow line and sealed a 23-20 advantage at halftime when Scott Peterson scored a layup after a beautiful feed from Whittier.

France scored on a fast break when play resumed, followed quickly by a lay-up

by junior center Rob Grahams to make it 27-20.

Joliet didn't score in the third quarter until Mike Meyer, (6-3) forward and only freshman playing in the ESCC this season, dropped in a freethrow with 3:20 remaining.

When Whittier's three-pointer made it 49-35 in the fourth quarter, the Hilltoppers sent in the subs.

Too much Mike Knight, Marist's all-conference forward, and too much Redskin fast break, spelled Carmel's doom on Chicago's South Side.

Loren Jackson, the talented Redskin guard, hit three straight outside shots in the second quarter when Carmel couldn't find the range. Marist went to the lockerroom ahead 32-24, going on to build at 44-34 third quarter bulge.

Jackson topped the scoring with 20 points, including eight for nine freethrows. Knight had 18. Lambright paced Carmel with 15.

Advanced Degree

Jean Marie Breest, Lindenhurst, has completed the advanced degree requirements at Northwest Missouri State University along with 37 other students.

Panthers Possess Best Record In Lake County

The Round Lake Panthers possess the winningest record in Lake County at press time and it looks like there's no stopping them now.

They are currently 13-2 overall, not including a non-conference game against Richmond Jan. 13.

The Panthers have raised their Northwest Suburban

Conference record to 5-1, one game behind first-place Marengo.

Round Lake travels to Marian Central this weekend to play the Hurricanes in a conference battle and then McHenry comes to town Jan. 21 for another non-conference contest.

The Panthers are coming off a 77-64 victory over the

Johnsbury Skyhawks on Jan. 10.

Senior forward Frank Ptak led the Panthers in scoring with 22 points. Other Panthers to score in double digits were Greg Kreitner with 17, Doug Sparks with 11 and Greg Smith with 10.

Round Lake was up 38-35 at the half and never looked back.

Mustangs Drop In League

Mundelein boys basketball coach Denny Kessel will be looking for better execution Friday when the Mustangs face North Chicago in a home North Suburban Conference battle.

"We just need to execute," Kessel said.

In North Chicago, the Mustangs will be facing a team known for its quickness.

"They are very quick and

they have a good inside player," Kessel said.

Tipoff for the home contest is set for 8 p.m.

Mundelein will be looking to regain some NSC confidence too, after two league losses last weekend.

Mundelein fell 66-63 to a hot shooting Lake Forest squad Friday before losing to Libertyville 56-51 Saturday.

"They're very quick and

they have good ball handlers," Kessel said of Lake Forest.

"We had a 49-48 lead with three minutes to go but we did not execute down the stretch," Kessel said of the Libertyville contest.

The losses dropped Mundelein to 5-8 overall, 3-4 in league play.

The Mustangs travel to Fenton Saturday for a 7:30 p.m. game.

14-Game Streak Ends

Lake County's winningest high school basketball team, the Carmel High sophomores, isn't undefeated anymore after 15 games.

And now the young Corsairs coached by Jay Hoffman, have a crucial game Friday night, Jan. 17, with victory a must to protect their first place (6-1) in the

East Suburban Catholic Conference.

You can guess who the opponent will be for the squad that went undefeated in 14 consecutive games, setting a school record and showing the way for all Lakeland prep cagers.

St. Joseph, of course, will be the opponent. Who else?

The Charger un-

derclassmen also are 6-1 in the conference, their only defeat coming at the hands of the Carmel sophs in the opening league game of the season.

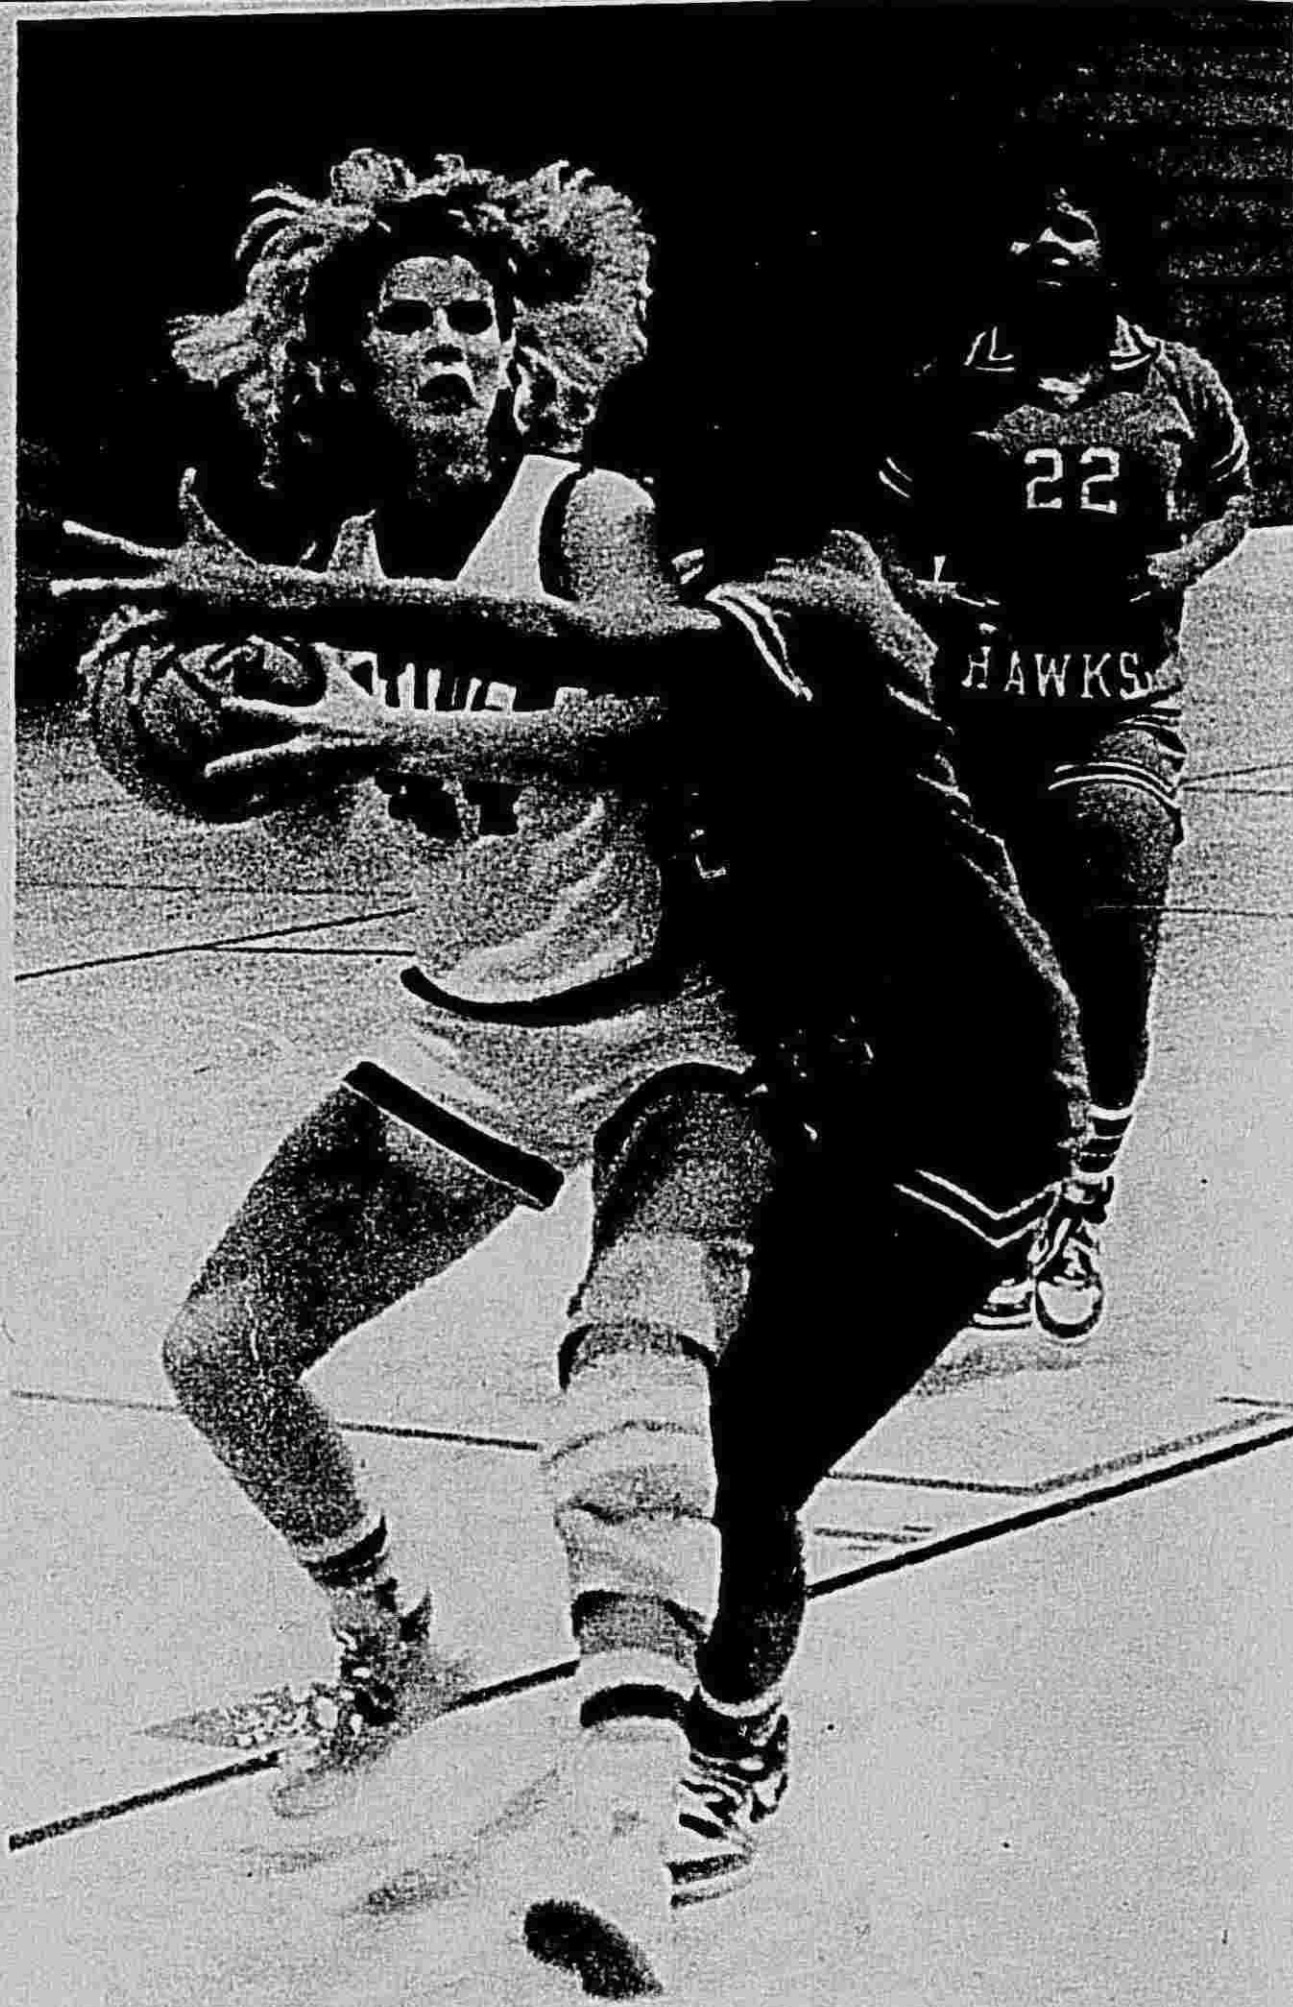

So interest is running high in the game between two squads that are sure to be headliners when they reach varsity status. The game will be played at 6 p.m. in Westchester.

The Corsair youngsters split on a rugged road trip last weekend that took them to Marist Friday night followed by a visit to Joliet Catholic.

They rung up No. 4 in a row at Marist 46-43 with another second-half surge, but lost 58-52 at Joliet because of a second quarter swoon.

Joliet's sophs made maximum use of their hand-box gym and a game plan that contained Carmel's high scoring frontline of Scott Stahoviak, Jeff Kalk and Jeff Zgonina.

Some nifty perimeter shooting by guards Sean Keegan and Bob Schroeder wasn't enough to offset the Hilltoppers' 25-14 halftime advantage. Carmel's pressing defense resulted in excessive fouling and the Joliet sophs didn't miss much when they went to the freethrow line.

TIME OUT!

A Look At Sports Around Lake County

By Joel Wiltberger

Totally awesome—they jacked the intensity up a couple of notches and now it's on to Super Bowl XX for "the Grabowski's of the Midway," the Chicago Bears and the New England Patriots (wish it was Miami).

The memories of past failures of the Chicago Cubs, DePaul and the White Sox (who cares) are almost gone now as the Bears prepare for that final step.

This is a team on a mission, bent on erasing the losers image heaped upon long-suffering Chicago sports fans over the years.

Occasionally in Chicago sports, we've been there before only to fall short. It's not going to happen this time, I know it won't. I don't want to say "thanks, Mike for a good season;" I want to say "thanks, Mike for a great season and a Super Bowl victory."

You can see "Bear mania" has captured me just as it has thousands of Lake Countians.

I guess I'll turn on "the Super Bowl Shuffle" one more time and then go see if I can find some of my Green Bay Packer friends (I know deep down inside they're rooting for us—ha!).

A LOOK AROUND THE COUNTY:

The Warren Blue Devils with back-to-back wins over Zion-Benton and Lake Forest this weekend are starting to make a move away from the pack in North Suburban boys basketball.

The Northwest Suburban is still up in the air as Round Lake (leading the county a 13-2 scratching to gain recognition) and Lake Zurich remains one game behind undefeated Marengo.

In wrestling, Coach Ted DeRousee (Antioch Sequoits) missed a perfect wrestling score of 72 against Zion-Benton last week. Their 70-0 win over Zion, while two points short of perfection, still set a school record for the Sequoits.

The Libertyville High School girls basketball team remained unbeaten in the North Suburban after last weeks win over Stevenson. One game off the pace, in a tie for second, are Warren and Lake Forest.

Lake Zurich (5-0 in conference, 9-1 overall) with Lisa Ross averaging more than 31 points a game, looks like a run-away in the Northwest Suburban.

Both Libertyville (16th) and Lake Zurich (ninth) have cracked the states top 20 in girls basketball!

Congratulations are also in order for the Lady Skyhawks of Johnsburg, in taking home the first place trophy after crushing Richmond-Burton 58-25 in the title match of the Johnsburg Invitational.

Finishes Third

The Warren High School Speech Team finished third in the Lyons Invitational on Saturday, Jan. 11.

Twenty-three schools competed in the tournament. Award winners for the Blue Devils were: Jeff Smith, with a sixth place in Ex-

temporaneous Speaking; Anne Kahle, with a fourth place in Verse Reading; Kate Emerson, who had a perfect score for a first place in Radio Speaking; and Greg Western, who finished in second place in Original Comedy and first place in Special Occasion Speaking.

Hawks Lose Two Straight

The Johnsburg Skyhawks lost to the Marengo Indians by a score of 57-48 at Johnsburg on Jan. 7. Tim Shin led the Skyhawks, 10 points scored, 9 rebounds, and 6 blocked shots. Mike Toussaint and Ron Szat of the Skyhawks scored 9 points each.

On Friday night, the Skyhawks lost to the Round Lake Panthers at Round Lake. The Skyhawks led until the last four minutes of the game and were behind by only four points

in the final minute. Skyhawk coach Doug Hoffmeister said that the game was much closer than the score indicated due to the Panthers hitting eight out of ten free throws in the final minute of the game.

Tim Shin scored 19 points against the Panthers and had 10 rebounds, Bill Dust scored 15 points and Mike Toussaint and Ron Szat each scored 10 points.

The Skyhawks will play the Grayslake Rams at Grayslake at 6 p.m. on Jan. 17.

Bulldogs Outscore Rams

The Grant Bulldogs beat out the Grayslake Rams 68-48, and had four scorers in the double figures at Grant High School on Jan. 7. Mike Kazlouski scored 14 points, Ron Richford scored 13, Tom Barr scored 12, and Rich Ruesch scored 11.

Tom Maple described Tuesday night's action as "a good over-all ballgame, good defense, good offense, it was well played."

The Bulldogs lost on Friday to the Lake Zurich Bears at Lake Zurich by a score of 54-72. Ron Richford scored 26 points for the Bulldogs and Rich Ruesch scored 11 points. Despite the loss Grant Coach Tom Maple said that the Bulldogs played a good game until the final

quarter when Bulldog fouls and a high Bear free throw percentage put the game on ice for the Bears.

The Bulldogs lost a non-conference game at home to the Crystal Lake Central Tigers on Jan. 11. The score

was 41-54 and Coach Maple blamed the loss on the Bulldog's poor shooting percentage which was a platty 33 percent.

The Bulldogs will play the Wauconda Bulldogs at home on Jan. 17 at 6 p.m.

YES, YOU CAN!

You may have seen many new satellite earth stations or "dishes" installed in our area recently and asked yourself, "Are those dishes legal?" or, "Can I have one of those?" Well, happily the answer to both questions is YES. In 1984, the U.S. Congress approved home earth stations designed for the reception of satellite broadcasts. Not only are dishes legal to use, they are affordable, too. You can enjoy the freedom and wide variety of satellite television today.

YES, YOU CAN!

You may have seen many new satellite earth stations, or "dishes", installed in our area recently and asked yourself, "Are those dishes for TV? Can I have one of those?" Well, happily the answer to both questions is YES. In 1984, the U.S. Congress approved some earth stations designed for the reception of satellite broadcasts. Not only do dishes legal to use, they are affordable, too. You can enjoy the freedom and wide variety of satellite television today.

Offer Exhibit At CLC Gallery

The new exhibit opening on Jan. 17 at the College of Lake County Community Gallery of Art will feature works by artists Barbara Field of Lake Forest, and Ghita Hardimon and Bobby Peterson of Highland Park.

The opening will also feature music by the North Shore String Quartet, performing in the gallery at 7 p.m.

The stoneware pieces of Barbara Field are large, hand-built vessels and small wheel-thrown works. Field graduated from Roycemore High School in Evanston and received her B.S.A. from the University of Colorado. She studied painting at the Evanston Art Center, exhibiting her work at fairs and galleries throughout the Chicago area. She also did ceramics for four years at Barat College in Lake Forest.

Ghita Hardimon are abstract, geometrical relief forms with intense use of color. Hardimon received her M.F.A. degree at Northwestern University and her B.F.A. degree at the School of the Art Institute of Chicago. She has taught in the Highland Park High School Fine Arts Dept. and at the University of Chicago.

The recent pottery of Bobby Peterson is non-functional raku pieces with a sense of tension yet fragility to the form. Peterson is a native of Arkansas and spent most of her childhood in Louisiana. She attended Henderson College in Arkansas and studied at the Art Institute of Chicago, the Evanston Art Center and the North Shore Art League.

The North Shore String Quartet will provide a classical music background during the Jan. 17 opening of

the Field, Hardimon and Peterson Exhibit. Musicians in the quartet include: Pamela Lutter and Katherine Schmidt, both violinists, and Kathryn Rossett on the viola and Carol VerMeulen on the cello.

The exhibit opening on Friday evening, Jan. 17, at 7 p.m., is free and open to the public. The Field, Hardimon and Peterson exhibit will run through Feb. 9 in the gallery. The Community Gallery of Art is a project of the College of Lake County Foundation which sponsors a year-round schedule of art, music and literary events in the gallery.

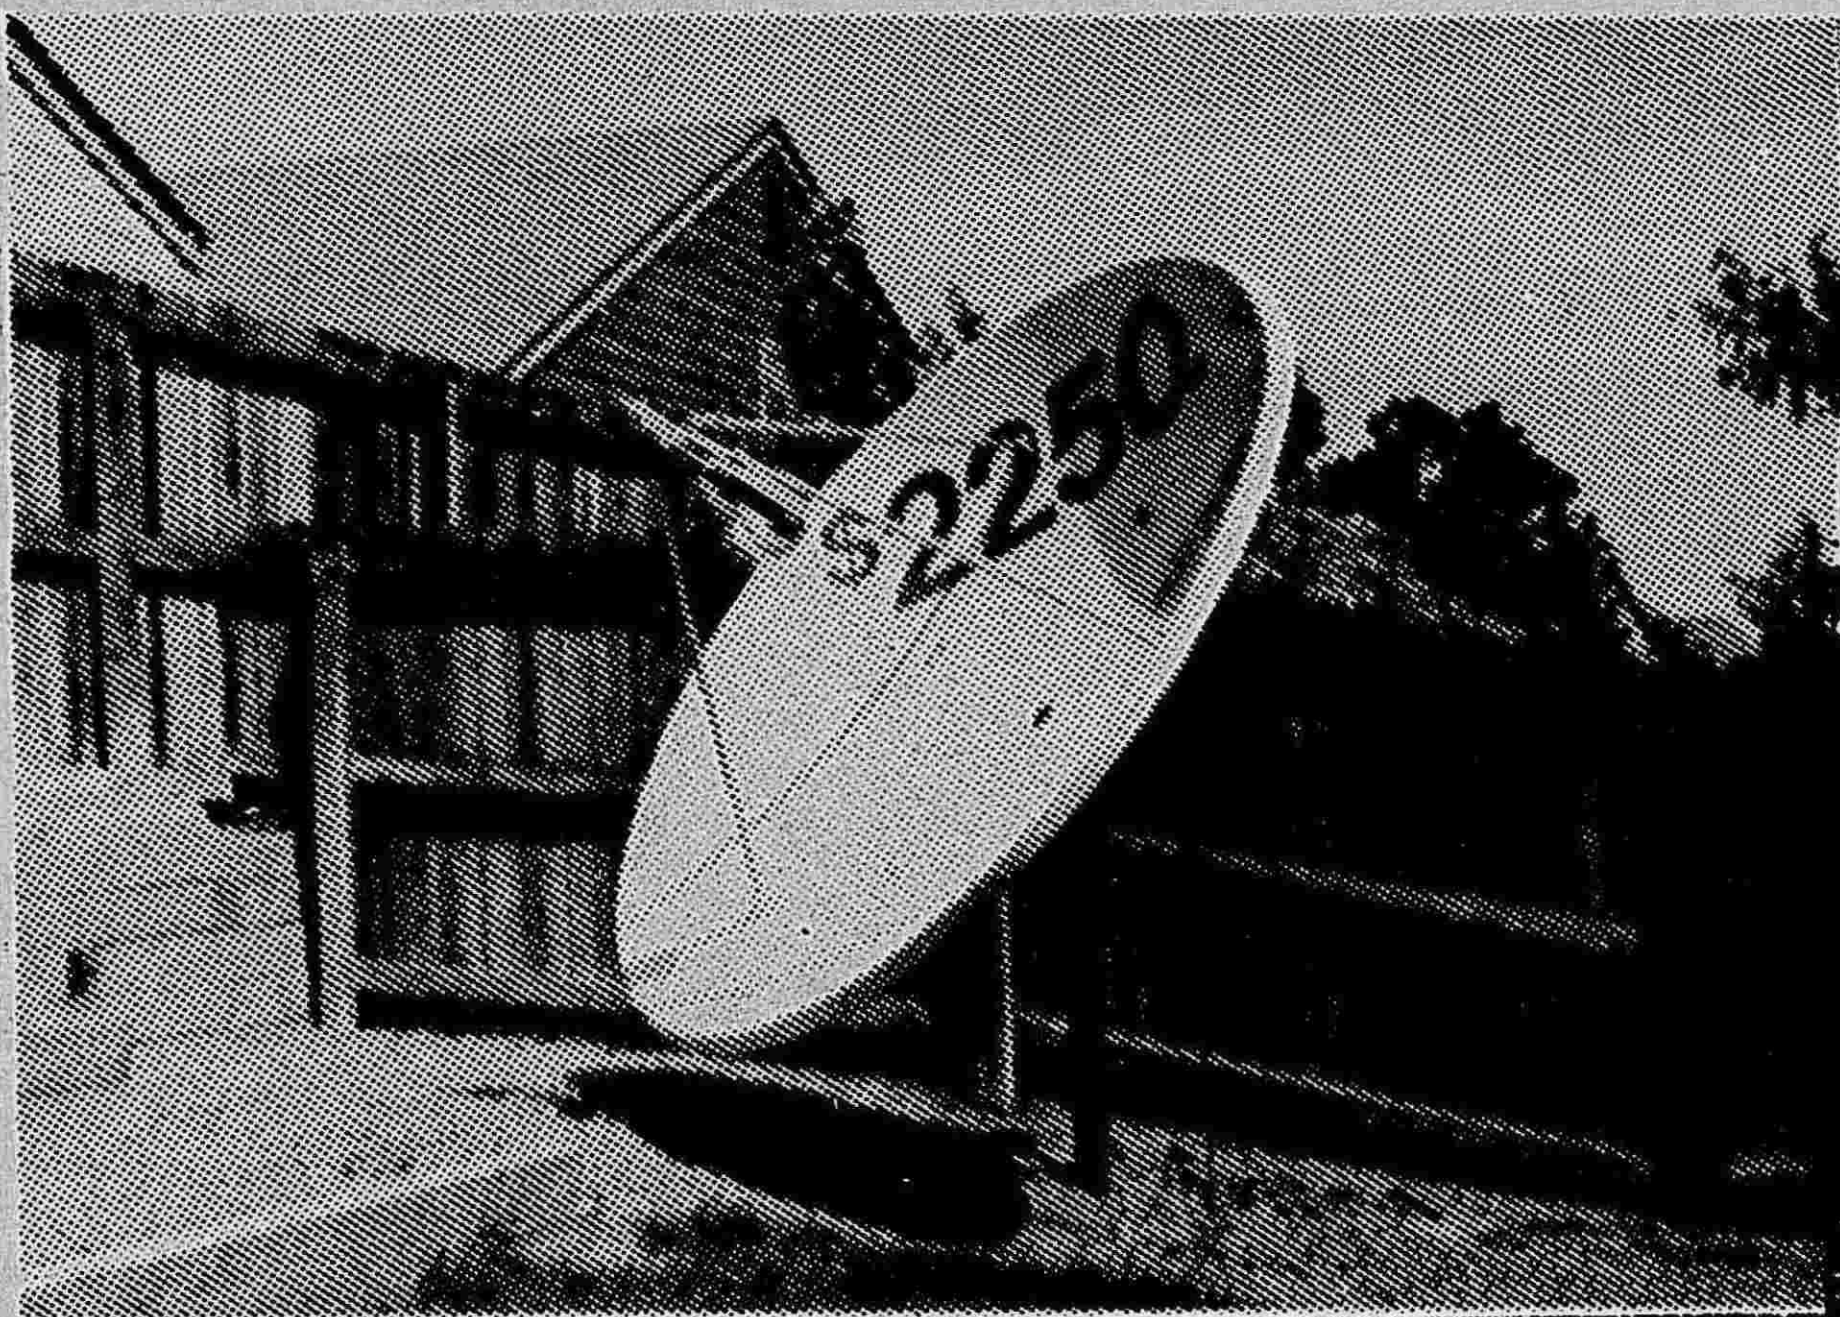

The gallery is located in the Learning Resources Center of CLC's main campus in Grayslake. For more information on this or other exhibits, call the gallery at (312) 223-3618.

BUYING A HOME SATELLITE DISH IS COSTLIER THAN YOU THINK.

Before you spend your hard earned money on a satellite receive dish you should learn the facts.

This year popular premium services like HBO and Cinemax will begin scrambling their signals with highly sophisticated electronic encryption devices.

And this new technique won't be

limited to just premium services.

Many basic cable channels like ESPN, MTV and CNN have announced their intentions to scramble signals.

What does this mean for satellite dish owners?

In addition to paying several thousand dollars for the purchase and installation of a receive dish, it will be necessary

to spend hundreds of dollars on descrambling equipment **plus** pay monthly service fees for each channel received.

Make your decision based on the facts.

New Sales Tax Could Generate \$6 Million

The finance committee of the Lake County Board has recommended the passage of a new ¼ percent sales tax on all retail transactions, excluding food and drugs, conducted within the county boundaries.

The board was scheduled to vote on the issue at its Jan. 14 meeting. Lake County Board Chairman James LaBelle said he didn't see any problems with the board passing the new sales tax.

"I think it's a good idea. We will use this sales tax to reduce the amount of property tax that we would otherwise have to levy," he said.

The new ¼ percent county sales tax was authorized in a state law passed in the closing days of the 1985 session of the Illinois General Assembly.

If enacted in all 101 counties in the state, the new tax would generate in excess of \$75 million, according to the Illinois Dept. of Revenue.

LaBelle believes the new tax will generate just under \$6 million in Lake County.

"In the past, we have been trying to find ways to rely less on the property tax and I believe this new sales tax is the way to do it," he said.

To Hold Boating Class

Chain-O-Lakes Power Squadron, a unit of United States Power Squadrons, announces the February 1986 class of public boating.

This class is taught by the members of the local Chain-O-Lakes Power Squadron, in hopes of sharing their knowledge of the rules of the road and general safe boating skills. The instruction is free. There is a nominal charge for optional material.

It is recommended that any young people in the family wishing to handle their boat, also attend this class. The State of Illinois requires any young person between 12 and 18 years of age have a certificate from a safe boating course.

United States Power Squadrons provide this certificate to any one over 12 passing their public boating course.

The Class of Public

Boating will be held at the Grant High School in Fox Lake on Feb. 4, at 7:30 p.m. No pre-registration is required for this class. Attendance the first night will include registration. Further information may be obtained by calling Past Commander Robert W. Byrne at (815) 385-4258 evenings, please.

Plan Retreat

Combining recreational activities with informal discussions on diabetes care, the Northern Illinois Affiliate of the American Diabetes Association is offering diabetics, their families and friends a "Family Winter Retreat," Jan. 31-Feb. 2, at George Williams Recreational Campus on Lake Geneva in Wisconsin.

Outdoor activities include: hiking, cross-country skiing, ice skating and sledding. Along with an abundance of fresh air, informal discussions for children, teens and adults will be led by health professionals. Topics for discussion include: new research advances, diet, "Why Me?/Why Us?" and "Untying the Apron Strings."

The cost of the retreat for adults is \$89 per person,

children ages 7-11 is \$49 each, children ages 3-6 is \$32.50 each, and infants two years or younger is \$10 each. This fee includes two nights lodging and six meals.

George Williams Recreational Campus is located on the shores of Lake Geneva, near Williams Bay, Wis., about 80 miles from Chicago. For more information about the retreat weekend, call the American Diabetes Assn. at (312) 346-1805.

Groups File Plan To Simplify Bell's Proposal

A plan to simplify Illinois Bell's July 31 rate restructuring proposal for northeastern Illinois was filed with the Illinois Commerce Commission by Illinois Bell and several public interest groups interested in the company's original proposal.

The plan, which is an alternative to the company's original proposal, would not increase company revenues.

The filing represents a consensus of representatives from Illinois Bell, the Citizens Utility Board, the Illinois Attorney General, the City of Chicago, CAF-FUP (Community Action for Fair Utility Practice) and the Labor Coalition on Public Utilities. It must still be approved by the Illinois Commerce Commission.

Under the plan, most residence callers could talk as long as they like for about a nickel a call in expanded local calling areas, the price of a message unit would be reduced and callers would get a bigger discount on local calls made after 9 p.m.

Customers would no longer prepay for Call-Pak plans. Instead, they would be billed only for message units used the previous month.

If the plan is approved, the average suburban residence customer would see a dollar monthly increase in local service charges. The average Chicago customer would see a \$1.15 increase in local service charges.

Message unit pricing still would replace long distance charging within northeastern Illinois. Volume discounts of up to 33 percent automatically would be applied to monthly bills. Calls more than 15 miles in distance would be reduced as much as 65 percent instead of the 70 percent proposed in July.

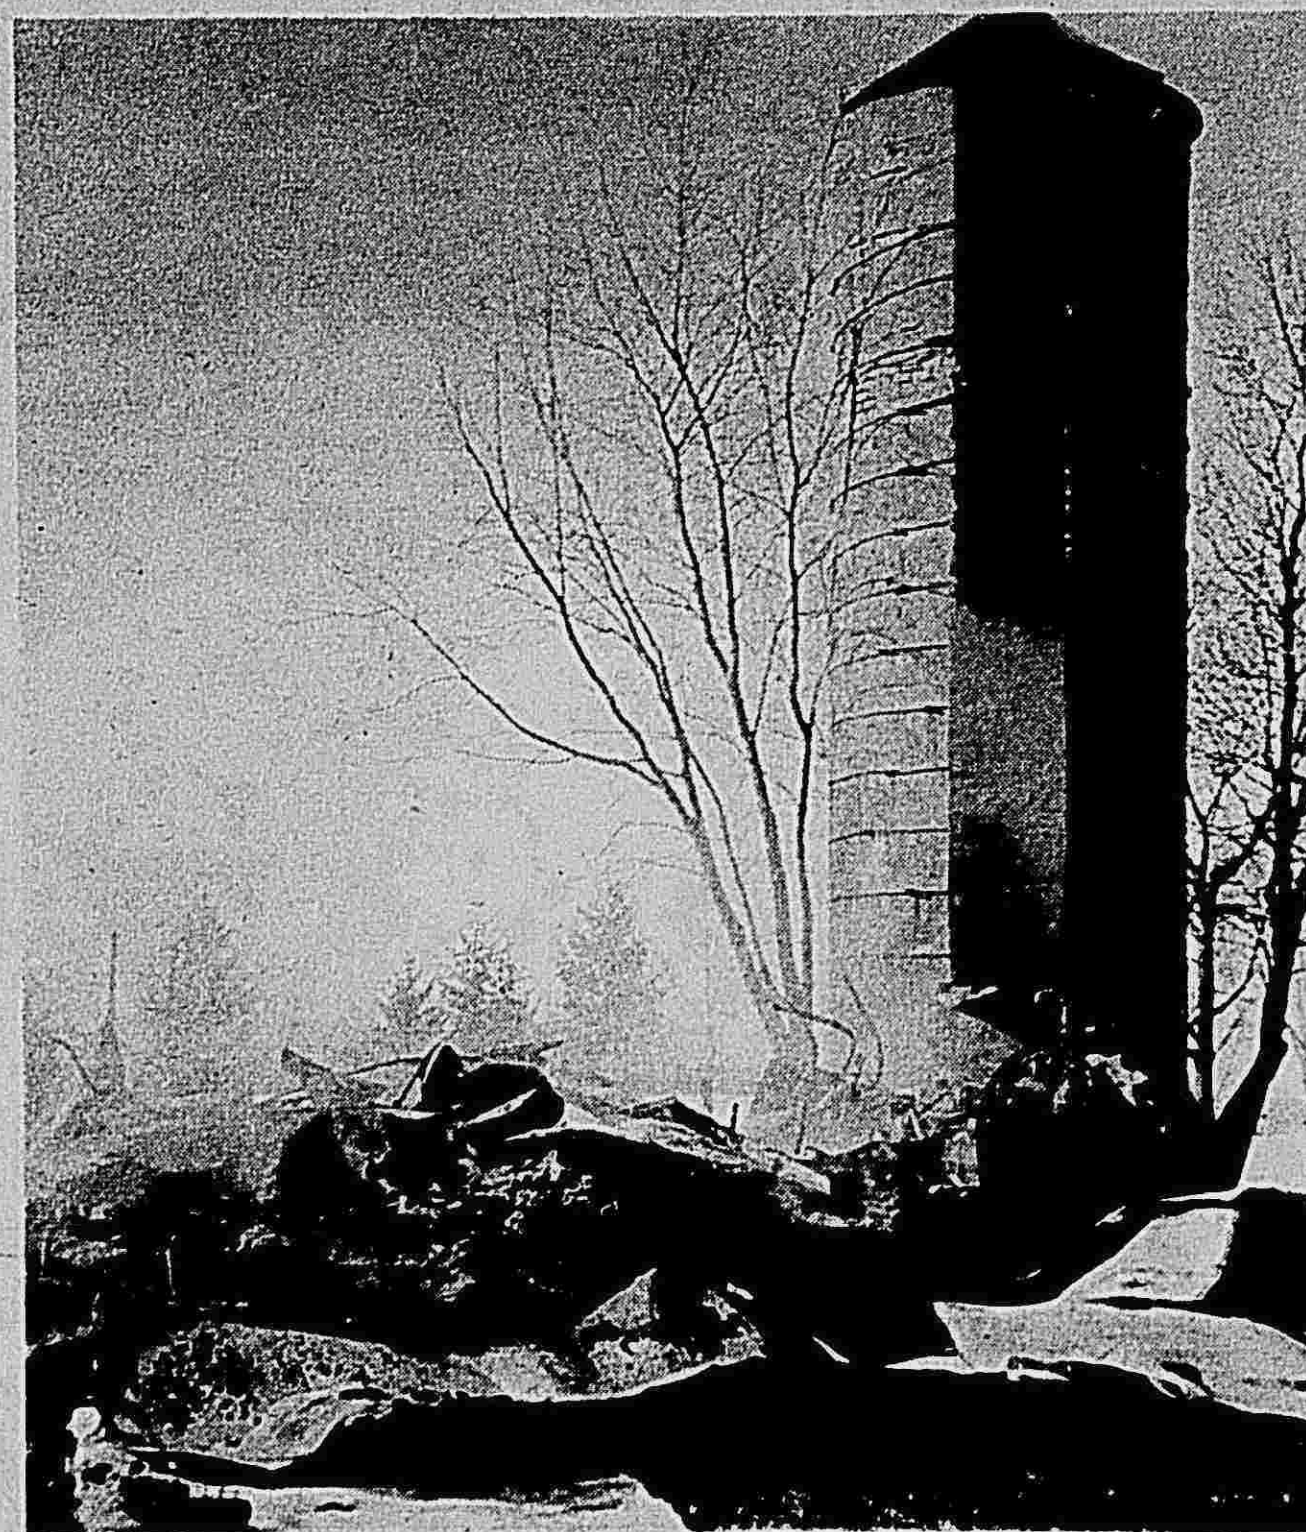

The monthly line charge for most suburban residence customers would increase about \$1.40. Line rates would remain the same in Chicago, some contiguous suburbs and communities outside Illinois Bell's Market Service Area One in northeastern Illinois.

Residence customers would be offered one standardized calling plan. Customers could talk as long as they like on calls made within an eight-mile radius of their local switching center and would be charged only one message unit.

The eight-mile local calling area would include some communities not included in today's local calling plans. For example, callers pay 32 cents for a 10-minute call between Rogers Park and Glencoe today. Under the alternate plan, Rogers Park and Glencoe callers would pay about a nickel for such a call.

Business customers also would be offered one standard service plan, but line charge rates would not change. Calls would be charged in one-minute increments based on duration and distance. Volume discounts as much as 23 percent on message units would be available to business customers.

Increases proposed earlier in specialized business circuit rates would remain unchanged. The increases would add about \$30 million to company revenues but would be offset by a \$30 million reduction in revenues due to the change in calling rates within Market Service Area One.

Smouldering Remains

This is the smoldering remains of a barn which was destroyed by a fire Jan. 9. The barn, which is owned by George Mellender, is located near the Brae Loch Country Club, east of Grayslake, at 33553 N. Rte. 45. Destroyed in the fire were a fishing boat, antique furniture, a snowmobile, lumber and a 1977 pickup truck that was parked 35 feet from the barn. The dollar amount in damages and the cause of the fire have not been determined as of yet.—Photo by Jody Lewand.

Travel

The Retirees Enjoy Traveling The Most

Travel is for all ages, but those quite likely to enjoy it, who have the time and interest...and money, are the retired or near retired set, in the senior category.

One of many advantages for senior travelers comes from Eastern Airlines. Inveterate travelers, 62 older, may like Eastern's "Get Up and Go Passport". For a whole calendar year, a traveling senior, wishing to see the country, or perhaps visit the children and grandchildren, can do it for \$1299.

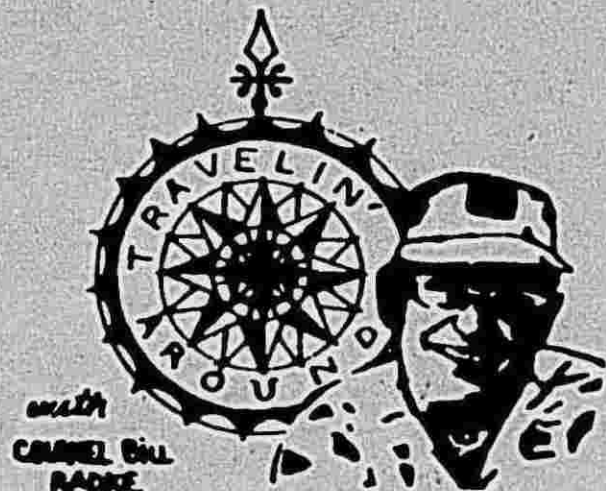

Multiple trips are included for the passport period. To make it even more attractive, the traveling companion of the senior, regardless of age, will also qualify for a passport. There are additional discounts and advantages which can be discussed with any Eastern Airline agent.

1985 was the most disaster prone year in the history of aviation. In the U.S., an estimated 1500 civilians died. About a third were victims of chartered flights...this was true of only 4 persons in 1984.

The worst crash of the year was a Japanese Airlines 747 which plunged into a mountain leaving 520 dead...the greatest toll on record for a single plane accident. Terrorist attacks overseas has brought the

FBI warning that, in general, Americans traveling abroad are at risk.

Fortunately, we in America are favored by a multitude of interesting destinations, reachable by air, train, bus, car or boat.

Compared to road traffic accidents, for comparable miles, air travel is still a safe means. Alternates can be utilized by those preferring particular modes of transportation.

Nearby, the Winterfest at Delavan Lake will begin January 25-26 and resume the following weekend, February 1-2 for a

continuation of planned fun, food, races, games and events. Specific details are available by calling 414-728-9917.

Also, on Feb. 1-2 weekend, Alpine Valley Ski Lodge holds its Winter Carnival at East Troy, WI. There will be racing, games, contests, special food and entertainment with an exciting Torch Parade on skis. Alpine's phone is 414-642-7374.

American's Lake Geneva Lakes Area activities can be obtained from the Chamber of Commerce at 800-345-1020, or by directing a request to the Walworth County Tourist Office, Box 1007, Elkhorn, Wis., 53121. They will be pleased to provide pamphlets and general information covering winter

festivities now so close at hand.

Even closer, with programs tuned to visitors of all ages, is Woodfield, the largest U.S., indoor shopping center. For the Feb. 6-9 period, Woodfield's Area Winter Carnival schedules a wide variety of activities including hockey tournaments, ski competitions, treasure hunts, ice sculpting and many other games and contests to intrigue viewers as well as participants.

This is climaxed by an indoor dinner-dance, "Snow Ball In The Mall". For details, contact Woodfield Visitors Bureau, toll free, at 800-624-8326. They are located at 1375 E. Woodfield Dr., Schamburg.

Christian's Circuit Seat Vacant

TO: All Interested Parties

Please take notice, that Bill and Pam Clark of Fox Lake have filed a petition before the Chairman and members of the Planning Commission, of the Village of Fox Lake, Illinois, paying for a Special Hearing for the following use: Concerning Sterling Promotions

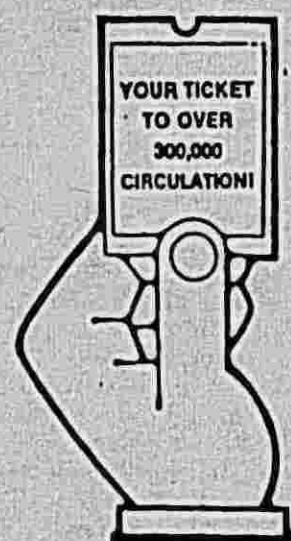

Explanation:

A recreation activity played on a heavily wooded area. The game is called Capture the Flag played on an adult level. The object is to infiltrate the other teams camp and capture their flag and return it to your camp on the other side of the large wooded area. All players are 18 years or older and have CO2 marking guns that shoot a paint pellet. Once you are marked with the paint you are out of the game. This new game is becoming America's new weekend sport called "Splat Ball" or "The Survival Game" both licensed trademarks. Sterling Promotions of Fox Lake is the dealer and is presently proposing the game being played on the land behind the Water Fall restaurant. Sterling Promotions is owned and operated by Bill and Pam Clark of Fox Lake.

That a Special Hearing on said petition has been scheduled before the Planning Commission Room No. 6, Village Hall, 301 South Route 59, Fox Lake, Illinois, on the 4th day of February 1986, 7:00 P.M. at which time the petition together with all other testimony and objections will be heard.

Steiskal Receives Academic Honor

Rod Steiskal, a freshman business administration major at Carthage College, is on the Dean's List for the fall, 1985 term. His grade point average was 3.5 for the 15 week period.

Steiskal, son of Mr. and Mrs. Robert Steiskal, 29 Cremin Ave., Lake Villa, is a graduate of Antioch Community High School. He is a member of the Carthage College Redmen football team.

Steiskal was among 229 to

be included on Carthage College Honor and Dean's Lists for the fall 1985 term.

Full-term students who have cumulative grade-point averages of at least 3.4, on a 4.0 scale, based on 32 or more graded credits and who complete at least 16 credits during the previous 15 week term are placed on the Carthage Honor List. The Dean's List criteria include a minimum term grade point average of 3.5 based upon at least 12

graded credits taken during the previous term.

Certain students may be named to both lists if they have completed a minimum of 32 graded credits at the college, taken at least 16 credits the previous term, hold a minimum cumulative grade point average of 3.4 and earn at least a 3.5 average for the previous term.

Carthage College is a four year liberal arts institution affiliated with the Lutheran

Church in America and the American Lutheran Church. Carthage is located on the shore of Lake Michigan in the southeastern corner of Wisconsin.

The Jan. 9 issue of the Antioch News-Reporter erroneously reported that the District 34 Board of Education meeting would be held on Jan. 24. The actual date for the meeting is Jan. 21. The Antioch News-Reporter regrets the error.

Award Certificate

Professional certificate awarded to Ms. Gay A. Nau, employed by Dr. Robert T. Sven-Antioch Dental Center, 439 Lake St., Antioch, Ill.

Dental assisting board announces Gay A. Nau can now add the professional designation, CDA, after her name. The letters denote her new status as a certified dental assistant, which was awarded to her on December 13., after she had passed a rigorous examination.

Since the CDA program was established in 1984 some 100,000 dental assistants have been certified. The dental assisting national board designs and administers the test which gauges the working knowledge of the candidate.

In addition to passing the test, consisting of some 300 questions, a candidate must meet certain eligibility requirements of education and experience, dependent on which certification he or she desires. The board offers certification not only for general chairside competence, but also for mastery of management skills and in the techniques of surgical assisting.

As a certified dental assistant, she has demonstrated command of a number of subjects such as prevention of disease transmission, materials, prevention and management of emergencies and radiation health and safety. A variety of general chairside procedures to assist the dentist in providing patient care has been mastered by Ms. Nau.

Coin Club

The Antioch Coin Club will hold its monthly meeting Monday, Jan. 20 at 8 p.m. The club meets on the third Monday of every month at the State Bank of Antioch. Doors open at 7:30 p.m. Guests are welcome.

Village May Exceed Salt Allotment

At their Jan. 6 meeting the Antioch Village Board was informed that the village would use all if not more of their 300 ton salt allotment for this winter.

The village is planning to purchase 40 more tons of salt from Domtar Inc. of Chicago Ill. at a cost of \$22 a ton. Domtar was the state of Illinois' low bidder for supplying salt to municipalities.

So far, the village has used 180 tons on the roads this winter. Under the state contract a municipality must purchase 75 percent of the salt that it orders. According to Tim Wells, at this rate the village will use 350 tons of salt by the end of the winter. The reason for the large amount of salt being used is being

attributed to the strange nature of this winter's snowfall's

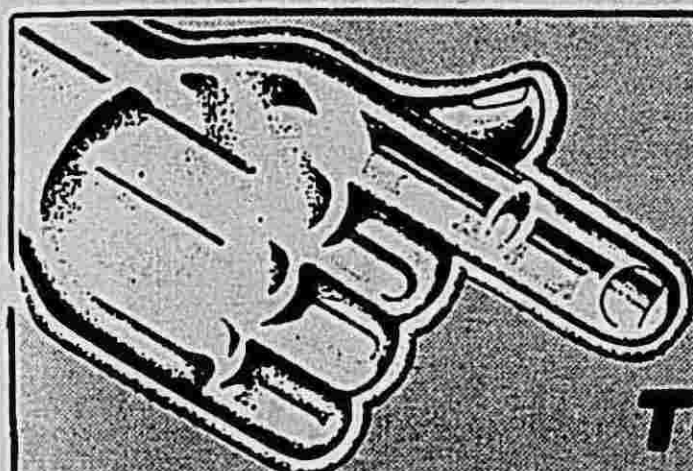

"This has been a strange winter," said Wells. "The has snow been coming an inch or a half inch at a time and not in 3-4 inch snow falls."

We have not had a lot of snow," said Joe Huber, Supl. of The Antioch Street Dept., "but we have had a lot of snowfalls. In the early part of the winter we had some ice storms which are worse than snow storms because roads have no traction at all."

With the last purchase the village needs to purchase only 70 more tons to complete its allotment.

Relocation Help

Workers eligible for trade adjustment assistance may receive a relocation allowance to help them move their families and household goods to their new area of employment, plus a lump sum payment—not to exceed \$600—to help them get settled. Workers may be paid 90 percent of their moving expenses, according to a U.S. Department of Labor fact sheet.

Frederick Announces Scholarships

State Rep. Virginia Fiester Frederick (R-Lake Forest) has announced that she is now accepting applications for her 1986-87 Illinois Legislative Scholarships.

Each year every legislator in the state is granted the opportunity of awarding the equivalent of eight years of tuition-free scholarships to any state-supported university or college in Illinois.

Rather than award multiple year scholarships to fewer students, Rep. Frederick indicates that she plans again to award eight one-year scholarships, so as to help the maximum

number of deserving students in the area.

To be eligible for one of Frederick's Legislative Scholarships the student must live in the 59th Representative District and either have been accepted for enrollment the fall of 1986 at a state-supported university or college in Illinois or be in attendance currently.

Virtually all of the following communities lie within the 59th Dist.: Grayslake, Gurnee, Lake Bluff, Lake Forest, Libertyville, Round Lake, Round Lake Park and Wildwood. In addition, Mundelein east of Rte. 45, Vernon Hills north of

Rte. 60 and part of northeast Highland Park are included.

Interested students living within Dist. 59 should write Rep. Frederick at her district office, 1540 Greenleaf Ave., Lake Forest for the necessary application form as soon as possible, and no later than April 15.

The completed application form should be returned to Lake Forest and will be sent subsequently to the Illinois State Scholarship Commission for a comparative evaluation based on scholarship potential and financial need. The final selection of awardees will be made by Rep. Frederick on a District-wide basis.

Lakehurst Ready For Show

Lakehurst Mall will host its fourth annual Bridal Show on Feb. 14, 15 and 16. This event will offer prospective brides and grooms the opportunity to plan almost every aspect of their wedding all in one trip.

"Many Lakehurst stores and area businesses have shown great interest in showcasing their wedding related merchandise and services," said Frank Harge, manager of Lakehurst Mall. Harge said exhibits will include bridal/trousseau attire, jewelry, cakes, photographers, entertainment, limousine services, plus much more.

In addition, three bridal/trousseau fashion shows plus cooking and beauty demonstrations are

also being planned. The fashion shows, featuring bridal gowns from J.C. Penny and tuxedos from

Henry's Formalwear, are scheduled for 7 p.m. Friday and 1 p.m. Saturday and Sunday.

Rep. Churchill Seeks Sign-Ups

Robert W. Churchill, state representative for the 62nd Dist. announces he is now accepting applications for the 1985-86 General Assembly Public Affairs Scholarships for students in the 62nd Dist. interested in pursuing an education at one of the Illinois State Universities.

The qualifications are: residence in the 62nd Legislative Dist.; ac-

ceptance at the state university of one's choice as a full time student; evidence of activity in public and civic affairs; and relative need among applicants.

Applications can be obtained by writing: Representative Churchill at 976 Hillside Ave., Antioch, or calling (312) 395-7000. Applications must be submitted and files completed by April 1.

"Sally didn't want to go to her grandfather's funeral . . .

At first, the family was upset. Then, the funeral director assured them that Sally's reaction was perfectly normal. He also took time to explain how all the family members could help Sally work through her grief for her grandfather."

We help the whole family in times of need.

Avon Backs Anderson, Kiesgen

The Avon Twp. Republican Club has gone against incumbent Norman Geary in his bid for reelection to the Lake County Board in Dist. 4.

Geary, who is recuperating from heart

bypass surgery performed Dec. 24, was not endorsed by the club at its Jan. 13 meeting.

Instead, challengers Pat Anderson (Avon Twp.) and Charlotte Kiesgen (Grant

Twp.) received the most endorsement votes for the two open seats.

Anderson, according to Avon Twp. Republican Club Chairman Chuck Oplawski, was endorsed on 13 of the 17

ballots cast.

Other challengers for the two four-year term seats include Ray Edwards (Antioch Twp.), Joe Tobolik (Antioch Twp.) and William Mestan (Grant Twp.).

The Geary camp is holding

a preliminary planning session for his campaign on Saturday, Jan. 18, starting at 10 a.m., at Renwood Country Club, Round Lake Park.

The purpose of the meeting is to create an organizational plan which

will assure that every Dist. 4 precinct is properly represented by Geary supporters.

Coffee and rolls will be served at this planning session. For more information, call (312) 546-1446.

Amazing! True Facts Of Science!

By Will Lonergan & Matthew Poliakov

Rings Tell Age?

What do the rings one sees in the cross section of a log indicate?

Fact:

Tree growth rings are a good indicator of the age of a tree.

Fact:

Not all tree growth rings are the same thickness.

The rings or bands one sees when one cuts down a tree are actually the annual growth of wood material added to a tree. Although it is true that under extraordinary circumstances more than one ring can be added to a tree's growth per season, it is very unusual and a count of any tree's total of growth rings will give a very close account of its true age. The thickness of the growth rings also indicates the conditions under which the tree existed during that season. A hard winter and dry summer will cause a tree's annual growth ring to be rather thin. And during good years, with plentiful rain, a tree will produce a very thick growth

ring. Through the use of tree rings, science has discovered that some Bristlecone Pines growing in the Sierra Nevada Mountains are well over 6,000 years old. Through the use of tree growth ring studies, the Earth's climate has been recorded for the past few thousand years in many areas. Since the various growth rates can be calibrated for weather conditions that existed when the tree grew the rings, climate maps for different parts of the world over many ages have been compiled. So when you cut open a log and look at the tree rings, stop for a moment and consider the truly amazing wonder of science they represent. Maybe that log has a lot to say.

If you have a question you would like to ask pertaining to general science, simply send it to:

Fatalities Lowest Since 1924

The provisional count for Illinois traffic fatalities during 1985 totaled 1,522, the lowest number recorded since 1924 when there were 1,065 deaths.

For the entire year of 1984, there were 1,546 provisional fatalities and for 1983 there were 1,537 provisional fatalities compared to the 1985 figure.

According to provisional figures released by the Illinois Depts. of Transportation and State Police, December 1985 motor vehicle occupant deaths totaled 76, representing a 19.1 percent decrease from the average of 94 over the past five years.

Overall fatalities for the month, including 17

pedestrians and one bicyclist, numbered 94 and were the result of 86 accidents. Three persons were killed in three railroad crossing accidents. The December total is a decrease of 24.2 percent compared to December of 1984 and a 11.3 percent decrease compared to December of 1983.

Vehicle occupant deaths

for the six-month period from July 1 through December 31 when the state's seat belt law was in effect totaled 502 compared to 581 for the average of the same period over the past five years. This represents a decrease of 13.6 percent. The motor vehicle occupant category is one in which seat belt usage is most likely to reduce deaths and injuries.

PRAYER TO THE HOLY SPIRIT

Holy Spirit, you who make me see everything, and you who shows me the way to reach my ideal. You who give me the Divine gift to forgive and forget the wrong that is done to me, and you who are with me. I in this dialogue want to thank you for everything and to confirm once more that I never want to be separated from you. No matter how great material desires may be, I want to be with you and my loved ones in your perpetual glory. Amen.
Thank you for your love toward me and my loved ones. Persons must pray this prayer three consecutive days without asking your wish. After the third day your wish will be granted no matter how difficult it may be. Promise to publish this dialogue as soon as your favor has been granted.
J.R.

BY SALOME

Aries (Mar. 21-Apr. 19) The choice is yours. That sheepish feeling can overcome your sense of adventure or you can be more rambunctious and take a chance, knowing you have the odds to succeed in your favor.

Taurus (Apr. 20-May 20) Taurean courage is easily mustered to give you what you need to charge right into the middle of the current muddle. Straighten things out to suit your needs. Proceed from there.

Gemini (May 21-June 20) Complications cause problems in romantic situations. Look for causes before you assign blame. You haven't been told the complete story yet. Demand all pertinent details.

Cancer (June 21-Jul. 22) The green-eyed monster rises to dim your view of the full picture. Before you let jealousy control your emotions, dig into the true motives of the one who "tipped you off."

Leo (Jul. 23-Aug. 22) There's a big difference between having a hole in your head and an open mind. A muddled situation needs lighting up, not heating up. To clear the air, listen more and bristle less.

Virgo (Aug. 23-Sept. 22) Order is the best way to iron out a problem at work. Be sure to press your suit for needed changes. Persuade superiors that your method is a means to a good end.

Libra (Sept. 23-Oct. 22) Aim for a balance between two conflicting forces in your life. Avoid extremes. Also make time to take that long-delayed short trip to help ease mid-winter blues and blahs.

Scorpio (Nov. 23-Dec. 21) Stand up for yourself. You are your best defender. Assuming that things take care of themselves only assures more of the same. A loved one waits to help when called on to do so.

Sagittarius (Nov. 22-Dec. 21) You can help Cupid draw a truer aim in your behalf. Identify the target for the Chubby Cherub by opening up and admitting your feelings to that very special someone.

Capricorn (Dec. 22-Jan. 19) Careful. What seems to be a simple situation can develop into a more complex one. Take steps to avoid becoming involved in something you don't really need or want.

Aquarius (Jan. 20-Feb. 18) Help is on the way. As you work through a current state of confusion be aware of the causes of the problems that need solving. What you learn today pays off well tomorrow.

Pisces (Feb. 19-Mar. 20) Artistic endeavors are more favored now than in the recent past. Redouble your efforts to complete the projects you set aside. A favorable impression leads to new opportunities.

McConnel's Support Swells In Precincts

by JOHN STEINKE
(Political Columnist)

Wauconda Village Clerk Venita L. McConnel has picked up another endorsement in her bid for the Republican nomination for Lake County Clerk in the March 18 primary.

Claudette Townsend, a GOP precinct committeeman in Waukegan Twp., has extended her support to McConnel's candidacy.

Mrs. Townsend stated that "I know the benefits of having a candidate who is a hard worker, who is qualified and who represents the Republican Party to the fullest extent. Venita L. McConnel is a joy to support. She is very well qualified for County Clerk; presents herself in a positive manner to the public; is an excellent speaker and always knows what she is speaking about and is a professional in her approach to seeking the County Clerk's office."

Townsend continued, "Venita is a well respected Republican throughout Lake

County. Her strong business background coupled with her government background presents a candidate who exemplifies the word 'Electable' and appeals to all age groups with her sincere and warm personal approach. I am proud to add my name to the long list of supporters for this great lady."

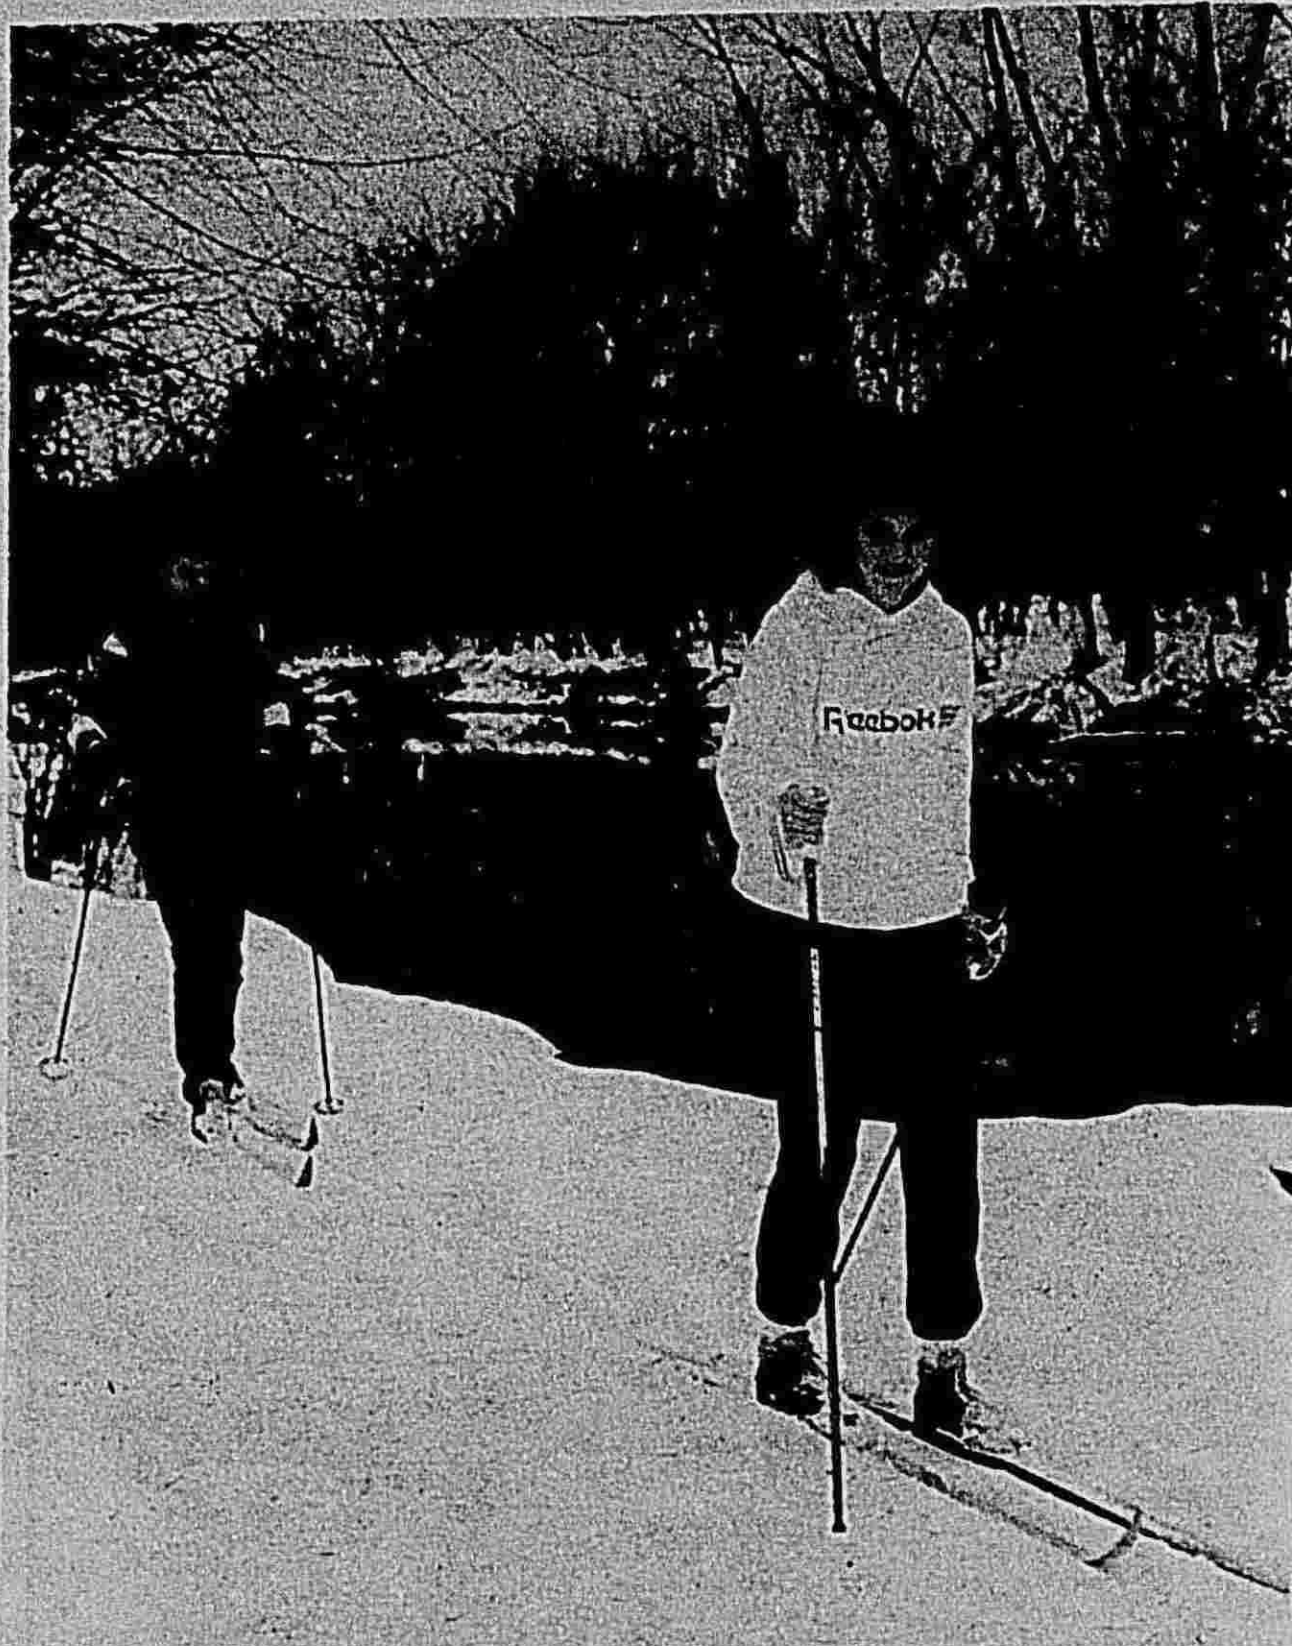

Townsend and her family reside in Waukegan. She is a fifth grade school teacher at Beach Park School in Zion, and is active in the Christian Catholic Church.

Venita McConnel and Dist. 4 County Board Rep. Donna-Mae Litwiler of Ingleside are competing for the Republican nomination for Lake County Clerk in the March 18 primary. Both candidates sought the support of the executive committee of the Lake County Republican Party at its Dec. 2 endorsement session. To secure an endorsement for the party's primary, it required a two-thirds vote of the 26-member Central Committee. Neither

candidate received the endorsement for the primary election. McConnel, however, captured a majority of the votes in the secret balloting. Reportedly, McConnel garnered 15 votes, Litwiler 10 with one abstention.

The McConnel-Litwiler contest will be a test of the political strength of Lake County Sheriff Robert H. "Mickey" Babcox. The sheriff is sponsoring Litwiler's candidacy. The GOP primary winner will oppose Democratic incumbent Linda Hess in the Nov. 6 general election. Hess is unopposed in the Democratic primary in her quest for a second four-year term.

In 1982, Hess was elected Lake County Clerk when she defeated Republican Harry Thomas by 353 votes out of 111,187 ballots recorded in the race. Hess succeeded three-term Democratic County Clerk Grace Mary Stern. Currently, Hess is the only Democrat holding a countywide office.

Real Estate Career Can Be Rewarding

Professional women of the community are finding more rewarding, self-fulfilling careers in the professional world.

Cindi Keller lives in Antioch with her two children, Holly, 7 and Chad, 6. The single parent has a professional career in real estate. "Real estate is a field of constant challenge, and rewarding opportunities," says Keller, of Century 21 Michael Warren & Co., Antioch. She has been chosen by peers as the 1985 Realtor Associate of the Year for outstanding service, and contribution in the real estate profession. Keller is licensed as a real estate broker associate Illinois and Wisconsin. As recruiting and training director for Century 21 Michael Warren, she is also one of the companies'

top salespersons, winning the President's Club Million Dollar award for five consecutive years.

Keller is a member of the National Assn. of Realtors, Real Estate Educators Assn., appointed committee member of the Education and Planning Committee of the State of Illinois, chairperson for the Real Estate Education Committee, Lake County Board of Realtors, and Real Estate Instructor for Lake County Community College, teaching the state-required 30 hours real estate transactions prelicense course.

Outside of attending various conventions at the state and national level, and speaking to various groups on the topic of real estate, Keller has been designated a realtor, and is a graduate of

the Graduate Realtors Institute, bearing the G.R.I. designation. She is also a Certified Residential Specialist (C.R.S.) candidate, under the Illinois Assn. of Realtors.

When asked what she would tell someone thinking of pursuing a career in real estate, Keller replied, "Every day is new; every day is different; every day you must put your needs aside and look to the needs of your clients and customers. Watch who you follow, never stop learning and never stop being a professional with the public and with your peers."

Keller has lived in Antioch for four years and has been with Century 21 Michael Warren & Co. for the past six years, both in Mundelein and Antioch.

Merger Aiding Schools

Two small neighboring elementary school districts should consolidate in the opinion of Regional Schools Supt. William Thompson.

Newport and Millburn schools need to consider merging or work out a program where a superintendent can be shared, the schools chief declared.

Both schools, plagued by declining enrollments and funding problems in recent years, currently are seeking new superintendents for the 1986-87 term.

"I told them that the county office will help if they consider consolidation or share a superintendent," Thompson stated bluntly.

The county now is providing Newport with executive help since Supt. Jack Wightman was relieved of his duties.

Arthur Katzenmeier,

retired North Chicago elementary superintendent, is serving as interim superintendent at Newport until Feb. 1 when George Felt, former superintendent at Round Lake and former superintendent at Bannockburn will fill in while Katzenmeier is on vacation.

Felt and Katzenmeier are among former superin-

tendents on the county school staff who provide school management on an interim basis.

Thompson said where superintendent vacancies exist, his policy is to provide interim service the first month. After that the district pays the interim superintendent.

Groundhog Day Is Special At Ryerson

Each year on Feb. 2 an unusual species pays a visit to Ryerson Woods. It's "Mr. Groundhog," and he's bigger than life, there to tell the complete Groundhog Day story and to dispell the myths of woodchuck legend.

The Edward L. Ryerson Conservation Area is located on Riverwoods Rd. (a northern extension of Sanders Rd.) north of Deerfield Rd. and south of Rte. 22. The preserve is open everyday from 8:30 a.m. to 5.

Hess Gives Voter Registration Information

"Lake Countians who registered to vote after Jan. 1, did so on a new statewide uniform voter card designed to make registration a 'once-in-a-lifetime' process," said Lake County Clerk Linda Hess.

Under a new state law, effective Jan. 1, all election jurisdictions must use the same three-part form for registration purposes, explained Hess.

"This way, when voters move to another county, their registration forms will follow them, and they won't have to re-register," said Hess. "It's a great idea," she noted, "but we'll probably have some growing pains while this plan is still in its infancy stages."

The new form, which has been mailed to over 1,000 deputy registrars throughout the county with a new instruction manual, is comprised of three parts.

"The two yellow cards will be used by our office for election purposes, and the

handy green receipt will be given to the voter at the time of registration as proof of registration," explained Hess.

"We've needed a receipt for the voter now that we have so many registrars involved in the process," she continued.

In addition, voters who register after Jan. 1 will be receiving new voter identification cards which are a result of the mandated use of the new card.

"We were unable to continue using our computerized packet of voter information (known as the data mailer)," said Hess, "but we have designed a new, less expensive card which I think voters will like."

The card is blue, on a heavier card stock, and prints in a darker ink. The card is generated from in-house computer equipment and will save us 36.4 cents per registered voter over our

current operational costs. "Not only are we excited about the new look of the card, but we're proud that we've saved over \$200,000 by coming up with such a creative idea," Hess said.

Voters may remember that the legislature had required compliance with the law as of July 1. However, not all county clerks could comply so quickly. So the county clerks lobbied the legislature for a delay in the implementation date.

"The delay gave us the time to comply with the law without spending the more than \$200,000 of additional costs we expected if we had had to comply overnight," said Hess.

County Clerk Hess also announced that as of Jan. 1 the voters will no longer be able to change their address over the phone. "We must have it in writing, signed by the voter, authorizing us to make the change," she said.

Gets Phone Number

North Shore Gas Company has announced the installation of a new, toll-free emergency phone number for its customers to report suspected gas leaks, unexpected service interruptions, and any potentially hazardous conditions involving natural gas.

The new emergency number -- 1-800-228-6734 --

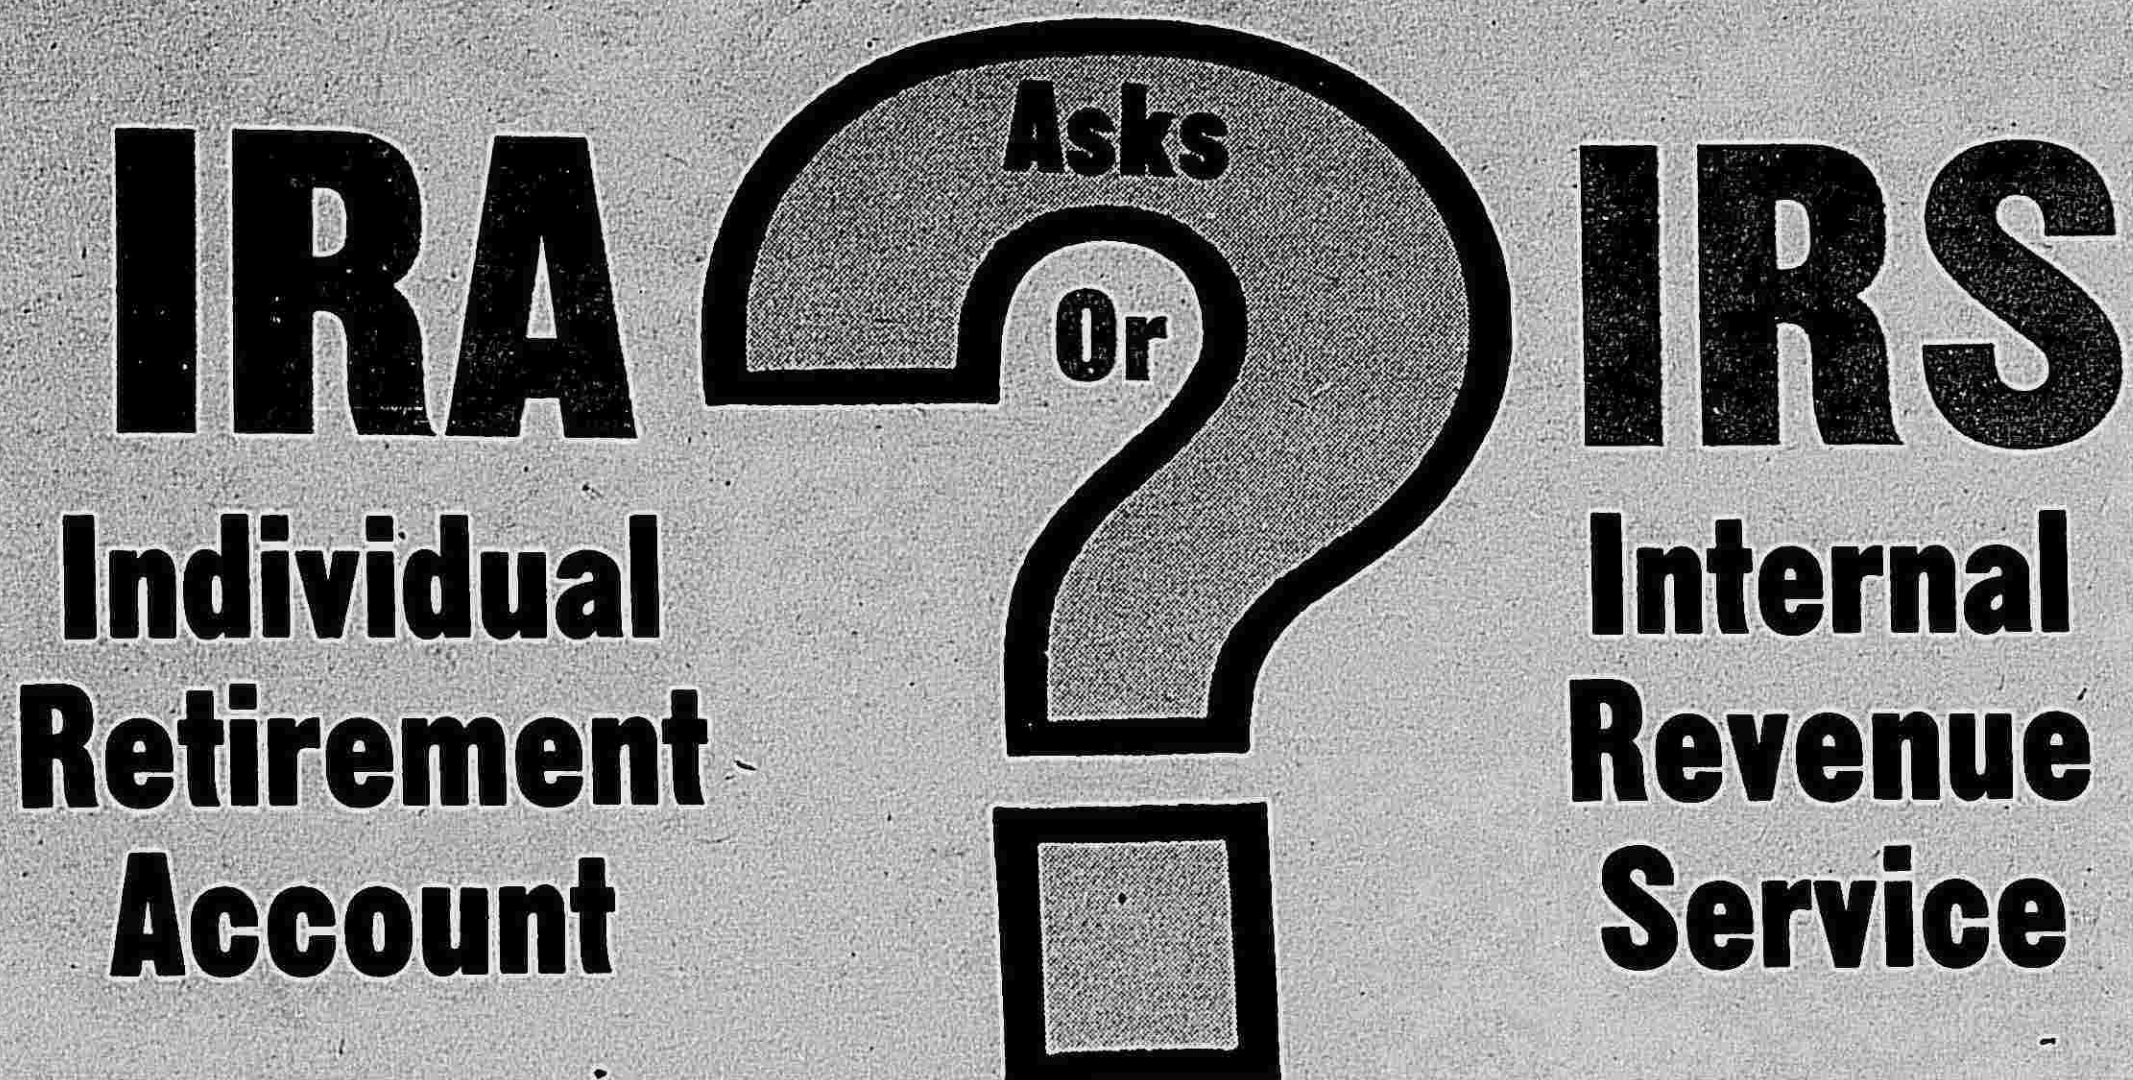

will be available to all of the utility's 100,000 customers in 56 communities in Lake and northern Cook counties.

North Shore Gas said that customers should continue to use the phone numbers shown on the bills or in local phone books when calling the company about routine business or to request normal service. This will free the emergency line for

customers needing urgent attention and help the utility to speed up its response.

While the new toll-free line will be available at all times, its use will be reserved exclusively for emergencies and all other calls to the utility will be referred to the company's other published phone numbers.

BANK of WAUKEGAN

THE CHOICE IS YOURS!!!

If you haven't opened an Individual Retirement Account, you're paying more taxes than necessary. Regardless of your income, an IRA can lessen your tax bite and allow you to keep more of what you earn.

• Don't Pay Unnecessary Taxes

Your federal taxable income is reduced by the size of your IRA contribution, giving you a significant "break" at tax time. Even a modest annual contribution can make an important difference. Interest earned is tax deferred, so you gain an even greater tax advantage while saving for a more secure retirement.
